

physician, representative of WTC responders, or certified-eligible WTC survivor representative) that the candidate is qualified to represent;

- A summary of the background, experience, and qualifications that demonstrates the nominee's suitability for the nominated membership category;
- Articles or other documents the nominee has authored that indicate the nominee's knowledge and experience in relevant subject categories; and
- A statement that the nominee is aware of the nomination, is willing to regularly attend and participate in STAC meetings, and has no known conflicts of interest that would preclude membership on the Committee.

STAC members will be selected upon the basis of their relevant experience and competence in their respective categorical fields. The information received through this nomination process, in addition to other relevant sources of information, will assist the WTC Program Administrator in appointing members to serve on the STAC. In selecting members, the WTC Program Administrator will consider individuals nominated in response to this **Federal Register** notice, as well as other qualified individuals.

The U.S. Department of Health and Human Services policy stipulates that Committee membership be balanced in terms of points of view represented, and the committee's function. Appointments shall be made without discrimination on the basis of age, race, ethnicity, gender, sexual orientation, gender identity, HIV status, disability, and cultural, religious, or socioeconomic status. Nominees must be U.S. citizens, and cannot be full-time employees of the U.S. Government. Current participation on federal workgroups or prior experience serving on a federal advisory committee does not disqualify a candidate; however, HHS policy is to avoid excessive individual service on advisory committees and multiple committee memberships. Committee members are Special Government Employees, requiring the filing of financial disclosure reports at the beginning and annually during their terms. CDC reviews potential candidates for the STAC membership each year, and provides a slate of nominees for consideration to the Secretary of HHS for final selection.

Candidates invited to serve will be asked to submit the "Confidential Financial Disclosure Report," OGE Form 450. This form is used by CDC to determine whether there is a financial conflict between that person's private interests and activities and their public responsibilities as a Special Government

Employee as well as any appearance of a loss of impartiality, as defined by Federal regulation. The form may be viewed and downloaded at <http://www.oge.gov/Forms-Library/OGE-Form-450—Confidential-Financial-Disclosure-Report/>. This form should not be submitted as part of a nomination.

Dates: Nominations must be submitted (postmarked or electronically received) by December 15, 2016.

Submissions must be electronic or by mail. Submissions should reference docket 229–E. Electronic submissions: You may electronically submit nominations, including attachments, to nioshdocket@cdc.gov. Attachments in Microsoft Word are preferred. Regular, Express, or Overnight Mail: Written nominations may be submitted (one original and two copies) to the following address only: NIOSH Docket 229–E, c/o Mia Wallace, Committee Management Specialist, National Institute for Occupational Safety and Health, Centers for Disease Control and Prevention, 1600 Clifton Rd. NE., MS: E–20, Atlanta, Georgia 30329. Telephone and facsimile submissions cannot be accepted.

For Further Information Contact: Paul Middendorf, Acting Deputy Associate Director for Science, 1600 Clifton Rd. NE., MS: E–20, Atlanta, GA 30329–4027; telephone (404)498–2500 (this is not a toll-free number); email pmiddendorf@cdc.gov.

The Director, Management Analysis and Services Office, has been delegated the authority to sign **Federal Register** notices pertaining to announcements of meetings and other committee management activities for both the Centers for Disease Control and Prevention and the Agency for Toxic Substances and Disease Registry.
