The Social Security Administration (SSA) publishes a list of information collection packages that will require clearance by the Office of Management and Budget (OMB) in compliance with Pub. L. 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. The information collection packages that may be included in this notice are for new information collections, revisions to OMB-approved information collections, and extensions (no change) of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and on ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Written comments and recommendations regarding the information collection(s) should be submitted to the OMB Desk Officer and the SSA Reports Clearance Officer. The information can be mailed and/or faxed to the individuals at the addresses and fax numbers listed below: (OMB)—Office of Management and Budget, Attn: Desk Officer for SSA, New Executive Building, Room 10235, 725 17th St., NW., Washington, DC 20503, Fax: 202-395-6974.

(SSA)—Social Security Administration, DCFAM, Attn: Reports Clearance Officer, 1338 Annex Building, 6401 Security Blvd., Baltimore, MD 21235, Fax: 410-965-6400.

I. The information collections listed below are pending at SSA and will be submitted to OMB within 60 days from the date of this notice. Therefore, your comments should be submitted to SSA within 60 days from the date of this publication. You can obtain copies of the collection instruments by calling the SSA Reports Clearance Officer at 410-965-0454 or by writing to the address listed above.

The information collected on form SSA-3826-F4 is used by SSA to determine a claimant's physical status prior to making a disability determination. This information is also placed in the claimant's disability claims folder to provide written medical evidence which is used in the disability determination decision. These agreements eliminate double Social Security coverage and taxation where a period of work would be subject to coverage and taxes in both countries. The individual agreements contain rules for determining the country under whose laws the period of work will be covered and to whose system taxes will be paid.

The agreements further provide that upon the request of the worker or employer, the country under whose system the period of work is covered will issue a certificate of coverage. The certificate serves as proof of exemption from coverage and taxation under the system of the other country. The information collected is needed to determine if a period of work is covered by the U.S. system under an agreement and to issue a certificate of coverage. The respondents are workers and employers wishing to establish an exemption from foreign Social Security taxes.

The respondents are all organizational representative payees for beneficiaries receiving Social Security benefits or Supplemental Security Income (SSI) payments.

Type of Request: New information collection.

Section 211(a) of the Social Security Act requires the existence of a trade or business as a prerequisite for determining whether an individual or partnership may have "net earnings from self-employment." Form SSA-7156 elicits the information necessary to determine the existence of an agricultural trade or business and subsequent covered earnings for Social Security entitlement purposes. The respondents are applicants for Social Security benefits, whose entitlement depends on whether the worker has covered earnings from self-employment as a farmer.

It allows SSA to inform the representative of items which affect the applicant's claim. The affected public consists of applicants who notify SSA that they have appointed a person to represent them in their dealings with SSA when claiming a right to benefits.
