Polyethylene Terephthalate Film, Sheet, and Strip From Taiwan: Extension of Time Limit for Final Results of the Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* December 10, 2010.

FOR FURTHER INFORMATION CONTACT: Gene Calvert or Jack Zhao, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, Department of Commerce, Washington, DC 20230; telephone: (202) 482-3586 or (202) 482-1396, respectively.

SUPPLEMENTARY INFORMATION:

Background

On August 16, 2010, the Department of Commerce (the Department) published the preliminary results of this review. See *Polyethylene Terephthalate Film, Sheet, and Strip From Taiwan: Preliminary Results of Antidumping Duty Administrative Review*, 75 FR 49902 (August 16, 2010) (*Preliminary Results*). The review covers the period July 1, 2008 through June 30, 2009. The final results of review are currently due on December 14, 2010.

Extension of Time Limits for Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires

the Department to issue the final results of an administrative review within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time period up to a maximum of 180 days from the date of publication of the preliminary results of this administrative review.

The Department finds that it is not practicable to complete the final results of this administrative review by the current due date of December 14, 2010. Additional time is needed to review sales and cost data that were gathered after the *Preliminary Results* and to issue a post-preliminary analysis regarding whether to use an alternate cost methodology. Therefore, pursuant to section 751(a)(3)(A) of the Act, we are extending the due date for the completion of the final results of this review from December 14, 2010 to February 12, 2011, 180 days after the date of publication of the *Preliminary Results*.

Because February 12, 2011 falls on a Saturday, it is the Department's long-standing practice to issue a determination the next business day when the statutory deadline falls on a weekend, federal holiday, or any other day when the Department is closed. See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005). Accordingly, the deadline for the completion of these final results is now no later than February 14, 2011.

This notice is published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: December 6, 2010.

Gary Taverman,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain Polyester Staple Fiber From the People's Republic of China: Extension of Time Limit for the Final Results of the Second Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce

DATES: *Effective Date:* December 10, 2010.

FOR FURTHER INFORMATION CONTACT: Steven Hampton or Jerry Huang, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-0116 or (202) 482-4047, respectively.

Background

On July 14, 2010, the Department of Commerce ("Department") published in the **Federal Register** the *Preliminary Results* of the second administrative review of certain polyester staple fiber ("PSF") from the People's Republic of China ("PRC"), covering the period June 1, 2008—May 31, 2009. See *Certain Polyester Staple Fiber From the People's Republic of China: Notice of Preliminary Results and Preliminary Rescission, in Part, of the Antidumping Duty Administrative Review*, 75 FR 40777 (July 14, 2010) ("*Preliminary Results*").

The final results of this review are currently due on December 20, 2010. See *Second Antidumping Duty Administrative Review of Certain Polyester Staple Fiber From the People's Republic of China: Extension of Time Limit for the Final Results*, 75 FR 64694 (October 20, 2010).

Extension of Time Limit for the Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to issue the final results of an administrative review within 120 days after the date on which the *Preliminary Results* have been published. If it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend this deadline to a maximum of 180 days. The current deadline for the completion of the final results of this review is December 20, 2010.

The Department has determined that completion of the final results of this

review by the current deadline is not practicable. The Department requires more time to analyze a significant amount of complex information pertaining to the labor wage rate surrogate value. Therefore, given the number and complexity of issues in this case, and in accordance with section 751(a)(3)(A) of the Act, we are extending the time period for issuing the final results of review until January 10, 2011.

This notice is published pursuant to sections 751(1)(3)(A) and 777(i)(1) of the Act and 19 CFR 351.213(h)(2).

Dated: December 6, 2010.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Light-Walled Rectangular Pipe and Tube From the People's Republic of China: Notice of Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On September 29, 2010, the U.S. Department of Commerce (the Department) published a notice of initiation of an administrative review of the antidumping duty order on light-walled rectangular pipe and tube from the People's Republic of China (PRC). The review covers Sun Group Co., Ltd. (Sun Group), a producer/exporter of light-walled rectangular pipe and tube from the PRC. We are now rescinding this administrative review in full.

DATES: *Effective Date:* December 10, 2010.

FOR FURTHER INFORMATION CONTACT: Magd Zalok or Howard Smith, AD/CVD Operations, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; *telephone:* (202) 482-4162 or (202) 482-5193, respectively.

SUPPLEMENTARY INFORMATION:

Background

On August 2, 2010, the Department published in the **Federal Register** the notice of opportunity to request an administrative review of the antidumping duty order on, *inter alia*, light-walled rectangular pipe and tube

from the PRC for the period August 1, 2009, through July 31, 2010. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 75 FR 45094 (August 2, 2010).

On August 16, 2010, the Department received a timely request from Sun Group Co., Ltd., a Chinese exporter/producer of light-walled rectangular pipe and tube, that the Department conduct an administrative review of the antidumping duty order on light-walled rectangular pipe and tube from the PRC. On September 29, 2010, the Department published in the **Federal Register** the notice of initiation of, *inter alia*, the 2009-2010 administrative review of light-walled rectangular pipe and tube from the PRC. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 75 FR 60076 (September 29, 2010) (*Initiation*).

On October 15, 2010, Sun Group filed a letter withdrawing its request for review.

Period of Review

The period of review (POR) is August 1, 2009, through July 31, 2010.

Scope of the Order

The merchandise that is the subject of the order is certain welded carbon-quality light-walled steel pipe and tube, of rectangular (including square) cross section, having a wall thickness of less than 4 mm.

The term carbon-quality steel includes both carbon steel and alloy steel which contains only small amounts of alloying elements. Specifically, the term carbon-quality includes products in which none of the elements listed below exceeds the quantity by weight respectively indicated: 1.80 percent of manganese, or 2.25 percent of silicon, or 1.00 percent of copper, or 0.50 percent of aluminum, or 1.25 percent of chromium, or 0.30 percent of cobalt, or 0.40 percent of lead, or 1.25 percent of nickel, or 0.30 percent of tungsten, or 0.10 percent of molybdenum, or 0.10 percent of niobium, or 0.15 percent vanadium, or 0.15 percent of zirconium. The description of carbon-quality is intended to identify carbon-quality products within the scope. The welded carbon-quality rectangular pipe and tube subject to the order is currently classified under the Harmonized Tariff Schedule of the United States ("HTSUS") subheadings 7306.61.50.00 and 7306.61.70.60. While HTSUS subheadings are provided for convenience and Customs purposes, our

written description of the scope of the order is dispositive.

Rescission of Antidumping Duty Administrative Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review under this section, in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review, or withdraws at a later date if the Department determines it is reasonable to extend the time limit for withdrawing the request. Sun Group withdrew its review request within the 90-day deadline. As a result, in accordance with 19 CFR 351.213(d)(1), the Department is rescinding the administrative review of Sun Group.

Assessment Instructions

The Department will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries. For Sun Group, the company for which this review is rescinded, antidumping duties shall be assessed at the rate equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Orders

This notice serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.
