BILLING CODE 4191-02-P

DEPARTMENT OF TRANSPORTATION

Office of the Secretary

Federal Environmental Statutes, Regulations, and Executive Orders Applicable to the Development and Review of Transportation Infrastructure Projects

AGENCY: Office of the Secretary, DOT.

ACTION: Notice of availability.

SUMMARY: The United States Department of Transportation (Department) has prepared a document listing Federal environmental statutes, regulations, and Executive Orders that establish requirements applicable to the development and review of transportation infrastructure projects. The Department strives to ensure compliance with these requirements in a manner that is both environmentally sound and expeditious. The goal of this document is to contribute to this important effort by providing a brief description of the primary statutes, regulations, and Executive Orders applicable to the development and review of these transportation infrastructure projects.

FOR FURTHER INFORMATION CONTACT:

Amy Coyle, Senior Attorney Advisor, U.S. Department of Transportation, Office of the General Counsel; 1200 New Jersey Avenue SE., Washington, DC 20590. Telephone 202-366-0691.

SUPPLEMENTARY INFORMATION: The United States Department of Transportation (Department or DOT) has prepared a document listing Federal environmental statutes, regulations, and Executive Orders that establish requirements applicable to the development and review of transportation infrastructure projects that receive financial support from the Department. DOT strives to meet these requirements in a manner that is both environmentally sound and expeditious. The goal of this list is to contribute to this important effort by providing a brief description of the primary statutes, regulations, and Executive Orders applicable to the development and review of these transportation infrastructure projects. Additionally, many agencies have developed guidance to assist in implementation of the law, and this document references certain

guidance. This summary is not, and should not be relied upon as, a complete list of statutes, regulations, and Executive Orders that could apply to a transportation infrastructure project or an official or independent interpretation or expression of policy on the matters summarized. This document replaces the notice, "Federal Environmental Laws and Executive Orders Applicable to Development and Review of Transportation Infrastructure Projects," 69 FR 25451, May 6, 2004.

The document is available online at <http://www.dot.gov/policy/transportation-policy/environment/laws>.

Issued in Washington, DC on April 10, 2014.

Kathryn B. Thomson,

General Counsel.

BILLING CODE 4910-9X-P

DEPARTMENT OF TRANSPORTATION

Federal Transit Administration

Notice To Rescind Notice of Intent To Prepare an Environmental Impact Statement for Proposed Transit Improvements to the Red and Purple Lines, Cook County, Illinois

AGENCY: Federal Transit Administration (FTA), DOT.

ACTION: Rescind notice of intent to prepare an Environmental Impact Statement.

SUMMARY: The Federal Transit Administration (FTA), in cooperation with the Chicago Transit Authority (CTA), is issuing this notice to advise the public that the Notice of Intent (NOI) to prepare an Environmental Impact Statement (EIS) for the proposed transportation improvements on the Red and Purple lines between Belmont Station in Chicago and Linden terminal in Wilmette, Illinois is being rescinded.

FOR FURTHER INFORMATION CONTACT: Mr. Reginald Arkell, Community Planner, Federal Transit Administration, Region V, 200 West Adams Street, Suite 320, Chicago, IL 60606, phone 312-886-3704, email reginald.arkell@dot.gov.

SUPPLEMENTARY INFORMATION: The FTA, as the lead federal agency, in cooperation with the CTA published a NOI in the **Federal Register** on January 3, 2011 (76 FR 207-210) to prepare a Tier 1 EIS for the Red and Purple Modernization (RPM) project to bring 9.6 miles of the Red and Purple lines up to a state of good repair, from the track structure immediately north of Belmont Station in Chicago to the Linden

terminal in Wilmette, Illinois. On July 26, 2012, FTA in cooperation with CTA published a supplemental NOI in the **Federal Register** (77 FR 43903) to inform interested parties that the EIS would no longer be a Tier 1 EIS as originally proposed and instead would be a standard project-level EIS. Since that time, FTA and CTA have decided to pursue a more tailored approach of environmental review for each project of independent utility within the RPM corridor. FTA and CTA anticipate that environmental assessments, leading to Findings of No Significant Impact (FONSI), and categorical exclusions would be the appropriate classes of action under the National Environmental Policy Act (NEPA) for these projects. Therefore, the FTA has decided to rescind the NOI for the EIS.

Comments and questions concerning the proposed actions should be directed to FTA at the address provided above.

Marisol R. Simón,

Regional Administrator.
