Special Local Regulations; Northern California and Lake Tahoe Area Annual Marine Events; Sacramento Ironman Swim, Sacramento, CA

AGENCY: Coast Guard, Department of Homeland Security (DHS).

ACTION: Notification of enforcement of regulation.

SUMMARY: The Coast Guard will enforce the special local regulations for the annual Sacramento Ironman Swim on October 22, 2023, to provide for the safety of life on navigable waterways in the American River and Sacramento River during this event. The regulation for marine events in Northern California identifies the regulated area for this event in Sacramento, CA. During the enforcement period, unauthorized persons or vessels are prohibited from entering into, transiting through, or loitering or anchoring in the regulated area, unless authorized by the designated Patrol Commander (PATCOM) or other Federal, State, or local law enforcement agencies on scene to assist the Coast Guard in enforcing the regulated area.

DATES: The regulations in 33 CFR 100.1103 will be enforced for the location in table 1 to § 100.1103, Item number 5, from 4:30 a.m. to 10:30 a.m. on October 22, 2023.

FOR FURTHER INFORMATION CONTACT: If you have questions about this notification of enforcement, call, or email MST1 Shannon Curtaz-Milian, Sector San Francisco Waterways Management, U.S. Coast Guard; telephone (415) 399-7440, email SFWaterways@uscg.mil.

SUPPLEMENTARY INFORMATION: The Coast Guard will enforce the special local regulations in 33 CFR 100.1103, table 1 to § 100.1103, Item number 5, for the Sacramento Ironman Swim regulated area from 4:30 a.m. to 10:30 a.m. on October 22, 2023. This action is being taken to provide for the safety of life on navigable waterways during this event. The regulation for marine events within Northern California, § 100.1103, specifies the location of the regulated area for the Sacramento Ironman Swim which encompasses portions of the American River and Sacramento River. During the enforcement period, the regulated area will be in effect in the navigable waters, from surface to bottom, defined by a line drawn from Township 9 Park to North of the Tower Bridge.

During the enforcement period, under the provisions of 33 CFR 100.1103(b), if you are the operator of a vessel in the regulated area you must comply with directions from the Patrol Commander (PATCOM) or any other Official Patrol, defined as a Federal, State, or local law enforcement agency on scene to assist the Coast Guard in enforcing the regulated area. The PATCOM or Official Patrol may, upon request, allow the transit of commercial vessels through regulated areas when it is safe to do so.

In addition to this notification of enforcement in the **Federal Register**, the Coast Guard plans to provide notification of this enforcement period via the Local Notice to Mariners. If the Captain of the Port determines that the regulated area need not be enforced for the full duration stated in this notification, a Broadcast Notice to Mariners or other marine broadcast may

be used to grant general permission to enter the regulated area.

[Docket Number USCG-2023-0702]

RIN 1625-AA08

Special Local Regulation; San Diego Bay, San Diego, CA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a special local regulation for the San Diego Sharkfest Swim marine event that will be held on the navigable waters of San Diego Bay, San Diego, CA. This action is necessary to provide for the safety of life on these navigable waters of San Diego Bay during a swim event on October 21, 2023. This rule would prohibit spectators from anchoring, blocking, loitering or transiting through the event area unless authorized by the Captain of the Port San Diego or a designated representative.

DATES: This rule is effective from 9 a.m. to 10 a.m. on October 21, 2023.

FOR FURTHER INFORMATION CONTACT: If you have questions about this rule, call or email Lieutenant Junior Grade Shelley Turner, Waterways Management, U.S. Coast Guard Sector San Diego, CA; telephone (619) 278-7656, email MarineEventsSD@uscg.mil.

CFR Code of Federal Regulations
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule

without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because we must establish this special local regulation by October 21, 2023. The Coast Guard was given short notice from the event sponsor that the date of the event would differ from the existing annual marine event as outlined in 33 CFR 100.1101, Table 1 to § 100.1101, Item 7. As such, it is impracticable to publish an NPRM because we lack sufficient time to provide a reasonable comment period and then consider those comments before issuing the rule in time for the new event dates. This regulation is necessary to ensure the safety of life on the navigable waters of San Diego Bay during the marine event.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be contrary to public interest because immediate action is needed to ensure the safety of life on the navigable waters of San Diego Bay during the marine event on October 21, 2023.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231). The Captain of the Port Sector San Diego (COTP) has determined that a large number of swimmers in San Diego Bay associated with the San Diego Sharkfest Swim marine event on October 21, 2023, poses a potential safety concern. This rule is needed to protect persons, vessels, and the marine environment in the navigable waters within San Diego Bay while the event is occurring.

IV. Discussion of the Rule

This rule establishes a special local regulation from 9 a.m. to 10 a.m. on October 21, 2023. This special local regulation will cover the navigable waters of San Diego Bay encompassed by a line connecting the following coordinates beginning at 32°42'14" N, 117°09'55" W (Point A); thence running southerly to 32°41'49" N, 117°09'57" W (Point B); thence running south, along the shoreline to 32°41'19" N, 117°09'48" W (Point C); thence running north easterly to 32°41'23" N, 117°09'41" W (Point D); thence running northerly to 32°42'00" N, 117°09'38" (Point E); thence running northerly, along the

shoreline to the beginning point. The duration of the zone is intended to ensure the safety of vessels, event participants, and these navigable waters during the scheduled marine event. No vessel or person would be permitted to enter the regulated area without obtaining permission from the COTP or a designated representative. The regulatory text appears at the end of this document.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a “significant regulatory action,” under section 3(f) of Executive Order 12866, as amended by Executive Order 14094 (Modernizing Regulatory Review). Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the size, location, duration, and time-of-day of the regulated area. The affected portion of the San Diego Bay will be of a 1 hour limited duration, during morning hours when vessel traffic is historically low and is necessary for safety of life to participants in the event. Moreover, the Coast Guard would make a post in the Local Notice to Mariners with details on the regulated area, as well as issue a Safety Marine Information Broadcast over Channel 22A.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.
