Notice of Planned Closing of Oakland, CA Post-of-Duty Station

AGENCY: Office of Inspector General, HUD.

ACTION: Notice of Planned Closing of Oakland, California Post-of-Duty Station.

SUMMARY: This notice advises the public that the HUD Office of Inspector General is closing its Oakland, California post-of-duty station, and also provides a cost-benefit analysis of the impact of the closure.

FOR FURTHER INFORMATION CONTACT: Bryan Saddler, Counsel to the Inspector

General, Room 8260, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410, (202) 708-1613. (This is not a toll free number.) A telecommunications device for hearing- and speech-impaired persons (TTY) is available at 1-800-877-8339 (Federal Information Relay Services). (This is a toll-free number.)

SUPPLEMENTARY INFORMATION:

Background

In 1996, HUD's Office of Inspector General (HUD/OIG) established a two person post-of-duty station in Oakland, California, to give direct support to the Oakland, California office's Operation Safe Home (OSH) initiative to combat violent and drug-related crime in public and assisted housing in the city and nearby communities. Although the Oakland post-of-duty station is only about 10 miles from HUD/OIG's San Francisco Regional Office, nationwide experience since the initiation of OSH in 1994 had proven that the best results/impact could be obtained when HUD/OIG Special Agents were physically located in the target city. However, in accordance with the requirements of the Fiscal Year 2002 HUD Appropriations Act (Pub.L. 107-73, approved November 26, 2001), HUD/OIG is terminating OSH and re-deploying staff to focus on investigations involving single-family fraud and property flipping. This

change eliminates the need to maintain a separate post-of-duty station in Oakland, California, and gives HUD/OIG the opportunity to generate cost savings associated with discontinuing an additional office.

Section 7(p) of the Department of Housing and Urban Development Act (42 U.S.C. 3535(p)) provides that a plan for field reorganization, which may involve the closing of any field or regional office, of the Department of Housing and Urban Development may not take effect until 90 days after a cost-benefit analysis of the effect of the plan on the office in question is published in the **Federal Register**. The required cost-benefit analysis should include: (1) An estimate of cost savings anticipated; (2) an estimate of the additional cost which will result from the reorganization; (3) a discussion of the impact on the local economy; and (4) an estimate of the effect of the reorganization on the availability, accessibility, and quality of services provided for recipients of those services.

Legislative history pertaining to section 7(p) indicates that not all reorganizations are subject to the requirements of section 7(p). Congress
