The U.S. Department of State Driver License and Tax Exemption Card Application form (DS 1972) is the means by which foreign missions in the United States request the issuance of a driver license and/or a sales tax exemption card for foreign mission personnel and their dependents. The exemption from sales taxes and the operation of a motor vehicle in the United States by foreign mission personnel are benefits under the Foreign Missions Act, 22 U.S.C. 4301 *et seq.*, which must be obtained by foreign missions through the U.S. Department of State, Office of Foreign Missions (DS/OFM). The DS-1972 application form provides OFM with the necessary information required to administer the two benefits effectively and efficiently. Sales tax exemption is enjoyed under the provisions of international law but is granted on the basis of reciprocity. The administration of driver licenses at the national level helps the Federal Government identify operators who repeatedly receive citations. This also helps the Federal Government determine the necessary course of action that may be required against an individual's driving privilege. Accordingly, the Federal Government is able to provide consistency to the diplomatic community on a national level through a uniform program.

Dated: October 15, 2004.

Lynwood M. Dent,

Deputy Assistant Secretary, Bureau of Diplomatic Security, Office of Foreign Missions, Department of State.
