SUPPLEMENTARY INFORMATION:

Executive Order 12866, "Regulatory Planning and Review"

It has been determined that Privacy Act rules for the Department of Defense are not significant rules. The rules do not (1) Have an annual effect on the economy of \$100 million or more or adversely affect in a material way the economy; a sector of the economy; productivity; competition; jobs; the environment; public health or safety; or State, local, or tribal governments or communities; (2) Create a serious inconsistency or otherwise interfere with an action taken or planned by another Agency; (3) Materially alter the budgetary impact of entitlements, grants, user fees, or loan programs, or the rights and obligations of recipients thereof; or (4) Raise novel legal or policy issues arising out of legal mandates, the President's priorities, or the principles set forth in this Executive order.

Public Law 96-354, "Regulatory Flexibility Act" (5 U.S.C. Chapter 6)

It has been determined that Privacy Act rules for the Department of Defense do not have significant economic impact on a substantial number of small entities because they are concerned only with the administration of Privacy Act systems of records within the Department of Defense.

Section 202, Public Law 104-4, "Unfunded Mandates Reform Act"

It has been determined that the Privacy Act rulemaking for the

Department of Defense does not involve a Federal mandate that may result in the expenditure by State, local and tribal governments, in the aggregate, or by the private sector, of \$100 million or more and that such rulemaking will not significantly or uniquely affect small governments.

Executive Order 13132, "Federalism"

§ 505.5 Exemptions.

* * * * *

(e) *Exempt Army Records.* * * *
(3) *A0025-55 TAPC.*

(i) *System name:* Freedom of Information Act Program Files.

(ii) *Exemption:* During the processing of Freedom of Information Act (FOIA) requests exempt materials from other systems of records may in turn become part of the case record in this system. To the extent that copies of exempt records from those "other" systems of records are entered into this system, the Department of the Army claims the same exemptions for the records from those "other" systems that are entered into this system, as claimed for the original primary system of which they are a part.

(iii) *Authority:* 5 U.S.C. 552a(j)(2), (k)(1), (k)(2), (k)(3), (k)(4), (k)(5), (k)(6), and (k)(7).

(iv) *Reasons:* Records are only exempt from pertinent provisions of 5 U.S.C. 552a to the extent such provisions have been identified and an exemption claimed for the original record and the purposes underlying the exemption for the original record still pertain to the record which is now contained in this system of records. In general, the exemptions were claimed in order to

protect properly classified information relating to national defense and foreign policy, to avoid interference during the conduct of criminal, civil, or administrative actions or investigations, to ensure protective services provided the President and others are not compromised, to protect the identity of confidential sources incident to Federal employment, military service, contract, and security clearance determinations, to preserve the confidentiality and integrity of Federal testing materials, and to safeguard evaluation materials used for military promotions when furnished by a confidential source. The exemption rule for the original records will identify the specific reasons why the records are exempt from specific provisions of 5 U.S.C. 552a.

Special Local Regulations for Marine Events; Severn River, College Creek, and Weems Creek, Annapolis, MD

AGENCY: Coast Guard, DHS.

ACTION: Notice of implementation.

SUMMARY: The Coast Guard is implementing the special local regulations at 33 CFR 100.518 for the U.S. Naval Academy Blue Angels Airshow to be held May 20 and 21, 2003, over the waters of the Severn River at Annapolis, Maryland. These special local regulations are necessary to control vessel traffic due to the confined nature of the waterway and expected vessel congestion during the events. The effect will be to restrict general navigation in the regulated area for the safety of spectators and vessels transiting the event area.

EFFECTIVE DATES: 33 CFR 100.518 is effective from 10:30 a.m. to 4 p.m. on May 20 and 21, 2003.

FOR FURTHER INFORMATION CONTACT: Ron Houck, Marine Information Specialist, Commander, Coast Guard Activities, Baltimore, 2401 Hawkins Point Road, Baltimore, MD 21226-1971, (410) 576-2674.

SUPPLEMENTARY INFORMATION: The U.S. Naval Academy will sponsor the Blue

Angels Airshow over the waters of the Severn River at Annapolis, Maryland. The events will consist of low flying, high performance aircraft performing precision maneuvers and aerial stunts. A fleet of spectator vessels is expected to gather near the event site to view the event. In order to ensure the safety of participants, spectators and transiting vessels, 33 CFR 100.518 will be in effect for the duration of the event. Under provisions of 33 CFR 100.518, vessels may not enter the regulated area without permission from the Coast Guard Patrol Commander. Spectator vessels may anchor outside the regulated area but may not block a navigable channel. Because these restrictions will only be in effect for a limited period, they should not result in a significant disruption of maritime traffic.

Drawbridge Operation Regulations: Cape Cod Canal, MA

AGENCY: Coast Guard, DHS.

ACTION: Notice of temporary deviation from regulations.

SUMMARY: The Commander, First Coast Guard District, has issued a temporary deviation from the drawbridge operation regulations that govern the Conrail Railroad Bridge across Cape Cod Canal, mile 0.7, at Bourne, Massachusetts. This temporary deviation will allow the bridge to remain in the closed position from 6 a.m. through 1 p.m. on May 22, 2003 and May 27, 2003. This temporary deviation is necessary to facilitate scheduled structural repairs at the bridge.

DATES: This deviation is effective from May 22, 2003 through May 27, 2003.

ADDRESSES: Materials referred to in this document are available for inspection or copying at the First Coast Guard District, Bridge Branch Office, 408 Atlantic Avenue, Boston, Massachusetts, 02110, between 7 a.m. and 3 p.m., Monday through Friday, except Federal holidays. The telephone number is (617) 223-8364. The First

Coast Guard District Bridge Branch maintains the public docket for this temporary deviation.

FOR FURTHER INFORMATION CONTACT: Mr. John McDonald, Project Officer, First Coast Guard District Bridge Branch, (617) 223-8364.

SUPPLEMENTARY INFORMATION: The vertical clearance under the Conrail Railroad Bridge in the open position is 135 feet at mean high water and 139 feet at mean low water. The draw is normally in the fully open position except for the passage of rail traffic. The existing regulations are listed at 33 CFR 117.589.

The owner of the bridge, the U. S. Army Corps of Engineers (USACE), requested a temporary deviation from the Drawbridge Operation Regulations to facilitate scheduled maintenance, the replacement of the rail tracks, at the bridge. This work must be performed with the bridge in the closed position.

The mariners who normally use this waterway were advised about the necessary repairs at the bridge and the temporary closures that will be required in order to facilitate the repairs. No objections were received.

Under this temporary deviation the Conrail Railroad Bridge, mile 0.7, may remain in the closed position from 6 a.m. through 1 p.m. on May 22, 2003 and May 27, 2003.

Mariners may contact the U.S. Army Corps of Engineers Marine Traffic Controller 24-hour telephone line at (508) 759-4431 for the operational status of the bridge.

This deviation from the operating regulations is authorized under 33 CFR 117.35, and will be performed with all due speed in order to return the bridge to normal operation as soon as possible.

Dated: May 7, 2003.
