SUPPLEMENTARY INFORMATION:**Background**

On October 7, 2019, Commerce published a notice of initiation of an administrative review of the countervailing duty order on passenger tires from China.¹ On April 24, 2020, Commerce tolled all deadlines in administrative reviews by 50 days.² On June 18, 2020, Commerce extended the deadline for the preliminary results of this review by 117 days.³ On July 21, 2020, Commerce tolled all deadlines in administrative reviews by an additional 60 days.⁴ Accordingly, the deadline for the preliminary results of this review was postponed to December 15, 2020.

For a complete description of the events that followed the initiation of this review, see the Preliminary

Decision Memorandum.⁵ A list of topics discussed in the Preliminary Decision Memorandum is included as the appendix to this notice. Scope of the Order⁶

The products covered by the *Order* are certain passenger vehicle and light truck tires from China. For a complete description of the scope, see the Preliminary Decision Memorandum.

Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. We received timely withdrawals of the requests for review, for which no other parties requested a review, for the following companies: Cooper (Kunshan) Tire Co., Ltd.; Haohua Orient International Trade Ltd.; Qingdao Keter International Co., Limited; Qingdao Lakesea Tyre Co., Ltd.; Qingdao Odyking Tyre Co., Ltd.; Qingdao Sentury Tire Co. Ltd.; Riversun Industry Limited; Safe & Well (HK) International Trading Limited; Shandong Guofeng Rubber Plastics Co., Ltd.; Shandong Hengyu Science & Technology Co., Ltd.; Shandong Linglong Tyre Co., Ltd.; Shandong New Continent Tire Co., Ltd.; Shandong Wanda Boto Tyre Co., Ltd.; Shandong Yongsheng Rubber Group Co., Ltd.; Shouguang Firemax Tyre Co., Ltd.; Windforce Tyre Co., Limited; and

Zhaoqing Junhong Co., Ltd.⁷ Therefore, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this review of the *Order* with respect to these companies.

Intent to Rescind Administrative Review, in Part

It is Commerce's practice to rescind an administrative review of a countervailing duty order, pursuant to 19 CFR 351.213(d)(3), when there are no reviewable entries of subject merchandise during the POR for which liquidation is suspended.⁸ Normally, upon completion of an administrative review, the suspended entries are liquidated at the countervailing duty assessment rate calculated for the review period.⁹ Therefore, for an administrative review of a company to be conducted, there must be a reviewable, suspended entry that Commerce can instruct CBP to liquidate at the calculated countervailing duty

assessment rate calculated for the review period.¹⁰

According to the CBP import data, three of the six companies subject to this review, which were not chosen as mandatory respondents and which did not withdraw their review requests, did not have reviewable entries of subject merchandise during the POR for which liquidation is suspended. Accordingly, in the absence of reviewable, suspended entries of subject merchandise during the POR by these three companies, we intend to rescind this administrative review, with respect to these three companies, in accordance with 19 CFR 351.213(d)(3).¹¹

Methodology

Commerce is conducting this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). In reaching these preliminary results, Commerce relied on facts otherwise available, with the application of adverse inferences.¹² For further information, see “Use of Facts Otherwise Available and Application of Adverse Inferences” in the accompanying Preliminary Decision Memorandum.

Preliminary Rate for Companies Not Selected for Individual Review

To determine the rate for companies not selected for individual examination in administrative reviews, Commerce’s practice is to weight average the net subsidy rates for the selected mandatory companies, excluding rates that are zero, *de minimis*, or based entirely on facts available. In this review, we preliminarily calculated rates based entirely on facts available for each of the mandatory respondents during the POR. In countervailing duty administrative reviews, where the number of respondents being individually examined has been limited, Commerce has determined that a “reasonable method” to determine the rate applicable to companies that were not individually examined when all the rates of selected mandatory respondents are zero, *de minimis*, or based entirely on adverse facts available is to assign to the non-selected respondents the average of the most recently determined rates that are not zero, *de minimis*, or

based entirely on facts available.¹³ However, if a non-selected respondent has its own calculated rate that is contemporaneous with or more recent than such previous rates, Commerce has found it appropriate to apply that calculated rate to the non-selected respondent, even when that rate is zero or *de minimis*.¹⁴

With regard to the three remaining non-selected companies, which have no prior individual rates from prior segments, we are assigning the rate of 20.05 percent *ad valorem*, which is the average of the above-*de minimis* rates calculated in the last review.

Preliminary Results of Review

We preliminarily determine the following net countervailable subsidy rates for the period January 1, 2018 through December 31, 2018:

Producers/exporters	Subsidy rate (percent <i>ad valorem</i>)
Shandong Duratti Rubber Corporation Co. Ltd	116.50
Shandong Longyue Rubber Co. Ltd	116.50
Shandong Anchi Tyres Co., Ltd	116.50
Triangle Tyre Co. Ltd	116.50

Review-Specific Average Rate Applicable to the Following Companies:

Jiangsu Hankook Tire Co., Ltd	20.05
Qingdao Fullrun Tyre Corp., Ltd	20.05
Shandong Province Sanli Tire Manufactured Co., Ltd	20.05

Assessment Rates

Consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), upon issuance of the final results, Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. We intend to issue instructions to CBP 15 days after publication of the final results of this review. For the companies for which this review is rescinded, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit

of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2018 through December 31, 2018, in accordance with 19 CFR

351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Cash Deposit Requirements

In accordance with section 751(a)(2)(C) of the Act, Commerce also intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for each of the respective companies listed above with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed firms, CBP will continue to collect cash deposits of estimated countervailing duties at the all-others rate or the most recent company-specific rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Public Comment

Interested parties may submit written comments (case briefs) on the preliminary results no later than 30 days from the date of publication of this **Federal Register** notice, and rebuttal comments (rebuttal briefs) within seven days after the time limit for filing case briefs.
