Rural Housing Service

Notice of Availability of Funding and Requests for Proposals for Guaranteed Loans Under the Section 538 Guaranteed Rural Rental Housing Program

AGENCY: Rural Housing Service, USDA.

ACTION: Notice.

SUMMARY: This Notice of Fund Availability (NOFA or Notice) announces the timeframe and submission requirements and deadlines to submit proposals in the form of "NOFA responses" for the section 538 Guaranteed Rural Rental Housing Program (GRRHP). Eligible lenders, as defined in paragraph IX.(D) of this NOFA, are invited to submit NOFA responses for the development of affordable rental housing to serve rural America. Only responses submitted by eligible lenders, on the lender's letterhead, and signed by both the applicant and the lender will be reviewed. This Notice describes the overall NOFA response and application process, including the selection and identification of any priorities for selection of NOFA responses, and the process by which the Rural Housing Service (RHS or Agency) will score and rank the NOFA responses. Information will also be included concerning the submission requirements. Lenders may submit a complete application concurrently with the NOFA response.

DATES: The Fiscal Year (FY) 2001 program dollars will be allocated through a continuous selection process. On a monthly basis starting with the third Thursday of January (January 18, 2001) and each third Thursday of the month through August 16, 2001, or until

all funds are expended, the agency will review all NOFA responses that have been received monthly.

Lenders will submit responses that are ready to be processed to a complete application once the NOFA selection is made. NOFA responses will be reviewed for completeness and eligibility, and if so deemed, lenders will be requested to submit a full application and the required application fee of \$2,500.00 within 90 days of selection, if not already submitted.

Applications will be sent to the Rural Development State office in which the project is located. If an application is not submitted within 90 days from the date of the letter notifying the lender of the NOFA selection, the selection is subject to cancellation, thereby allowing another NOFA response that is ready to proceed with processing to be selected. A completed application may be submitted with the NOFA response. However, a completed application and application fee must be submitted by the August 16, 2001 NOFA response date. The deadline for receipt of NOFA responses is 4:00 PM, Eastern Standard or Daylight Time, whichever is then applicable, each third Thursday of the month. Lenders intending to mail a NOFA response must provide sufficient time to permit delivery on or before the closing deadline date and time. Acceptance by a U. S. Post Office or private mailer does not constitute delivery. Postage due NOFA responses or applications will not be accepted. NOFA responses received after the deadlines previously mentioned and before August 16, 2001, will be held for the next month's review if funds remain. The NOFA submission deadline dates are as follows:

- Thursday, January 18, 2001, 4:00 P.M. EDT/EST
- Thursday, February 15, 2001, 4:00 P.M. EDT/EST
- Thursday, March 15, 2001, 4:00 P.M. EDT/EST
- Thursday, April 19, 2001, 4:00 P.M. EDT/EST
- Thursday, May 17, 2001, 4:00 P.M. EDT/EST
- Thursday, June 21, 2001, 4:00 P.M. EDT/EST
- Thursday, July 19, 2001, 4:00 P.M. EDT/EST
- Thursday, August 16, 2001, 4:00 P.M. EDT/EST

When all funds have been exhausted, a notice will be placed in the **Federal Register** to notify the public.

Discussion of Notice

I. Purpose and Program Summary

On March 28, 1996, President Clinton signed the Housing Opportunity Program Extension Act of 1996, Public Law 104-120, authorizing the section 538 Guaranteed Rural Rental Housing Program (GRRHP). The program is designed to increase the supply of affordable multi-family housing through partnerships between Rural Housing Service (RHS) and major lending sources, as well as state and local housing finance agencies and bond issuers. Tax exempt financing can be used as a source of capital for the guaranteed loan. Qualified lenders will be authorized to originate, underwrite, and close loans for multi-family housing projects requiring new construction or acquisition with rehabilitation of at least \$15,000 per unit when the acquisition results in the creation of new affordable housing units. RHS may guarantee such

loans upon presentation and review of appropriate certifications, project information and satisfactory completion of the appropriate level of environmental review by RHS. Lenders will be responsible for the full range of loan management, servicing, and property disposition activities associated with these projects. The lender will be expected to provide servicing or contract for servicing of each loan it underwrites. The maximum guarantee for a permanent loan will be 90 percent of the unpaid principal and interest of the loan, and in the case of a construction loan, the maximum guarantee will be 90 percent of the work in place, or up to 90 percent of the amounts actually advanced by the lender, whichever is less. Any losses would be split on a pro-rata basis between the lender and the Agency from the first dollar lost.

II. Allocation

Fiscal year (FY) 2001 budget authority provides approximately \$100 million in program dollars. All FY 2001 funds will be held in the National office. There are no set-asides for the GRRHP for FY 2001.

III. The NOFA Response Process

Lenders should respond to the section 538 NOFA only when they have completed a preliminary underwriting analysis and are willing to make the proposed loan, subject to, among other conditions, to the issuance of a guarantee by the Agency. Unfortunately, the Agency has found that in some instances, this has not been the case. In an effort to reduce the number of unacceptable NOFA responses and judiciously commit program dollars to projects that demonstrate a readiness to proceed, the Agency will strictly adhere to the submission requirements found in chapter 4 of HB-1-3565.

In the interest of time, lenders have the option of submitting a combined NOFA response and application. However, the Agency will not give preference to a submission containing both a NOFA response and an application. Lenders who submit complete applications are encouraged, but not required, to include a checklist of the items listed in paragraph 4.9, of HB-1-3565 and to have their

applications indexed and tabbed to facilitate the review process.

NOFA responses will be reviewed for completeness and eligibility, and if so deemed, the lender will be asked to submit a full application and the required application fee of \$2,500.00. The application and fee must be submitted within 90 days of the date the lender receives the selection letter, unless the Agency has agreed to an extension because the applicant is waiting for a determination of their application for tax credits, or other sources of project funds, from an allocating governmental or quasi-governmental Agency and the applicant is scheduled to be notified after the initial 90 day time frame has expired. Applications and fees will be sent to the Rural Development State office in which the project is located. If an application is not submitted within 90 days from the date of the letter notifying the lender of the NOFA selection, the selection is subject to cancellation, thereby allowing another NOFA response that is ready to proceed with processing to be selected.

To submit a complete application, the lender will work with the Agency to complete the appropriate level of environmental review in accordance with 7 CFR part 1940, subpart G, prior to the issuance of the Conditional Commitment, loan approval, or obligation of funds, whichever occurs first. In addition, the Agency will determine that the Civil Rights Impact Analysis Certification and all other Federal requirements, including intergovernmental review (RD Instruction 1940-J) and flood insurance requirements (7 CFR part 1806 subpart B), both available in any Rural Development office, have been met prior to taking any official action on an application for a loan guarantee.

IV. Interest Credit

Assistance can include both loan guarantees and interest credits. For at least 20 percent of the loans made under the program, RHS will provide the borrower with interest credits to reduce the interest rate of the loan by a maximum of 250 basis points. However, in no instance will the lender's interest rate be reduced to lower than the Applicable Federal Rate as such term is

used in section 42(I)(2)(D) of the Internal Revenue Code of 1986.

RHS will provide interest credit on loans up to \$1.5 million. Lenders with proposals that could be viable with or without interest credits are encouraged to submit a NOFA response reflecting financial and market feasibility under both funding options. A request in the NOFA response to be considered under both options will not affect the rating of the response for interest credit selection. However, once the interest credit funds are exhausted, only those NOFA responses requesting consideration under both funding options or the Non-Interest Credit option will be further considered.

Due to limited interest credit funds and the Agency's responsibility to target and give priority to rural areas most in need, NOFA responses requesting to receive interest credit must score a minimum threshold of 70 points. The NOFA responses will be scored on the basis of the criteria as described in 7 CFR 3565.5(b) and as published in paragraph VIII of this NOFA. In the event that requests exceed available funds, the interest credit NOFA responses will be ranked and scored separately using the same selection criteria as described above. In the event of ties, selection between proposals will be by lot.

V. NOFA Response Requirements

NOFA response requirements are subject to change. It is important to note that all responses must be submitted in accordance with the terms of this NOFA, which are different from the NOFA issued in FY 2000.

Selections will be based on the lender's review of project feasibility and merit.

At a minimum, the information contained in the following sample NOFA Response must be submitted by the lender, on lender's letterhead, and be signed by both the lender and the applicant. Incomplete responses will not be considered, and the lender will be notified of the reason that the response was incomplete. The required NOFA Response information is listed as follows:

VII. Competitive Criteria

To expedite the review of the NOFA responses, RHS suggests using the sample NOFA response checklist found in paragraph V. of this NOFA to ensure that all the submission requirements

and competitive criteria of this NOFA have been addressed.

VIII. Selection Criteria

NOFA responses will be reviewed as received on a first come first serve basis on the third Thursday of each month. In the event that demand exceeds available funds, priorities will be assigned to eligible proposals on the basis of the following criteria as described in 7 CFR 3565.5(b) and as published in this NOFA. In the event of ties, selection between proposals will be by lot. Points will be assigned as follows:

(A) Projects located in rural communities with the smallest population will receive priority. All proposals will be ranked in order of their population. The proposals will be given a point score starting with the project located in the area with the lowest population receiving 20 points, the next 19 points and so forth, until up to 20 projects have received points.

(B) The most needy communities as determined by the median income from

the most recently available census data. The proposals will be given a point score starting with the community having the lowest median income receiving 20 points, the next 19 points and so forth until up to 20 proposals have received points.

(C) Partnering and leveraging in order to develop the maximum number of housing units and promote partnerships with state and local communities, including other partners with similar housing goals. Leveraging points will be awarded as follows:

Loan to value ratio (percentage %)	Points
More than 75	10
70-75	15
Less than 70	20

(D) Loans with interest rates less than the maximum allowable 250 basis points over the 10 Year Treasury Bond Yield will be awarded points as follows (fractional basis points will be rounded to the nearest whole basis point):

Interest rate	Points
More than 200 basis points	0
200 to 151 basis points, inclusive	5
150 to 100 basis points, inclusive	10
99 to 50 basis points, inclusive	15
Less than 50 basis points	20

(E) Preference will be given to proposals having a higher percentage of 3–5 bedroom units to total units. The proposals will be ranked in order of this percentage with the proposal with the highest percent receiving 20 points, the next 19 points and so forth until up to 20 projects have received points.

(F) Proposals to be developed in a colonia, on tribal land, in an Empowerment Zone or Enterprise Community, or in a place identified in the State consolidated plan or State needs assessment as a high need community for multifamily housing (20 points).

(G) Projects will be ranked by the length of the amortization period, with the longest receiving priority as follows:

Amortization (Yrs.)	Points
40	20
At least 35	15
At least 30	10
At least 20	5
Less than 20	0

IX. Additional Information

There is no surcharge for guarantee of construction advances for FY 2001.

(C). Program Fees for FY 2001

(8) There is no lender application fee for lender approval in FY 2001.

(D). Eligible Lenders for section 538 Approval

The application for lender approval must be made at the same time as the first loan application. The first loan application means: (1) The first application for a loan guarantee for a new loan; or (2) The first application before ownership of any GRRHP loan is transferred to that lender. A lender must be approved before a loan guarantee is issued or a guaranteed loan is acquired.
