AGENCY: Federal Highway Administration (FHWA), Department of Transportation (DOT).

ACTION: Notice of limitation on claims for judicial review of actions by FHWA, the U.S. Army Corps of Engineers (USACE), and the U.S. Coast Guard.

SUPPLEMENTARY INFORMATION: Notice is hereby given that FHWA and other Federal agencies have taken final agency actions by issuing final approvals for the I-526 Lowcountry Corridor West (I-526 LCC West) project in Charleston County, South Carolina. The purpose of the I-526 LCC West project is to increase capacity at the I-26/I-526 interchange and along the I-526 mainline from Paul Cantrell Boulevard to Virginia Avenue. The proposed project consists of 3.5 miles of work on I-26 and 9.2 miles of work on I-526 for a total of 12.7 miles. The need for this project is derived from the following factors:

- Strong growth in population and employment.
- Decreased mobility and increased traffic congestion caused by base year traffic conditions and worsened by projected traffic conditions.
- Geometric deficiencies such as acceleration and deceleration lanes that are not long enough, short distances between entrance and exit ramps, tight curves on loop ramps, and poor sight distance.
- Pedestrian and bicycle connectivity and mobility needs.

The actions by the Federal agencies, and the laws under which such actions were taken, are described in the Combined Final Environmental Impact Statement (FEIS)/Record of Decision (ROD) for the project, approved on September 30, 2022, and in other documents in the project records. The Combined FEIS/ROD and other documents in the project file are available by contacting the FHWA or SCDOT at the addresses above. The Combined FEIS/ROD along with referenced technical documents can also be viewed and downloaded from the project website at www.526lowcountrycorridor.com/west/feis-rod.

The USACE Record of Decision and section 404 permit was issued on February 24, 2023. The USACE Section 404 permit and Record of Decision are available by contacting USACE at the address provided above. The USCG issued their Record of Decision and Bridge permit on March 23, 2023.
