

appropriate, immediately preceding the Follow-On Investment; and

(ii) the aggregate amount recommended by the Advisers to be invested in the Follow-On Investment by the participating Regulated Funds and any participating Affiliated Funds, collectively, exceeds the amount of the investment opportunity, then the Follow-On Investment opportunity will be allocated among them pro rata based on the size of the Internal Orders, as described in section III.A.1.(b) of the application.

(e) *Other Conditions.* The acquisition of Follow-On Investments as permitted by this Condition will be considered a Co-Investment Transaction for all purposes and subject to the other Conditions set forth in the application.

**10. Board Reporting, Compliance and Annual Re-Approval.**

(a) Each Adviser to a Regulated Fund will present to the Board of each Regulated Fund, on a quarterly basis, and at such other times as the Board may request, (i) a record of all investments in Potential Co-Investment Transactions made by any of the other Regulated Funds or any of the Affiliated Funds during the preceding quarter that fell within the Regulated Fund's then-current Objectives and Strategies and Board-Established Criteria that were not made available to the Regulated Fund, and an explanation of why such investment opportunities were not made available to the Regulated Fund; (ii) a record of all Follow-On Investments in and Dispositions of investments in any issuer in which the Regulated Fund holds any investments by any Affiliated Fund or other Regulated Fund during the prior quarter; and (iii) all information concerning Potential Co-Investment Transactions and Co-Investment Transactions, including investments made by other Regulated Funds or Affiliated Funds that the Regulated Fund considered but declined to participate in, so that the Independent Directors, may determine whether all Potential Co-Investment Transactions and Co-Investment Transactions during the preceding quarter, including those investments that the Regulated Fund considered but declined to participate in, comply with the Conditions.

(b) All information presented to the Regulated Fund's Board pursuant to this Condition will be kept for the life of the Regulated Fund and at least two years thereafter, and will be subject to examination by the Commission and its staff.

(c) Each Regulated Fund's chief compliance officer, as defined in rule 38a-1(a)(4), will prepare an annual

report for its Board each year that evaluates (and documents the basis of that evaluation) the Regulated Fund's compliance with the terms and Conditions of the application and the procedures established to achieve such compliance.

(d) The Independent Directors will consider at least annually whether continued participation in new and existing Co-Investment Transactions is in the Regulated Fund's best interests.

**11. Record Keeping.** Each Regulated Fund will maintain the records required by Section 57(f)(3) of the Act as if each of the Regulated Funds were a BDC and each of the investments permitted under these Conditions were approved by the Required Majority under Section 57(f).

**12. Director Independence.** No Independent Director of a Regulated Fund will also be a director, general partner, managing member or principal, or otherwise be an "affiliated person" (as defined in the Act) of any Affiliated Fund.

**13. Expenses.** The expenses, if any, associated with acquiring, holding or disposing of any securities acquired in a Co-Investment Transaction (including, without limitation, the expenses of the distribution of any such securities registered for sale under the Securities Act) will, to the extent not payable by the Advisers under their respective advisory agreements with the Regulated Funds and the Affiliated Funds, be shared by the Regulated Funds and the participating Affiliated Funds in proportion to the relative amounts of the securities held or being acquired or disposed of, as the case may be.

**14. Transaction Fees.**<sup>31</sup> Any transaction fee (including break-up, structuring, monitoring or commitment fees but excluding brokerage or underwriting compensation permitted by Section 17(e) or 57(k)) received in connection with any Co-Investment Transaction will be distributed to the participants on a pro rata basis based on the amounts they invested or committed, as the case may be, in such Co-Investment Transaction. If any transaction fee is to be held by an Adviser pending consummation of the transaction, the fee will be deposited into an account maintained by the Adviser at a bank or banks having the qualifications prescribed in Section 26(a)(1), and the account will earn a competitive rate of interest that will also be divided pro rata among the participants. None of the Advisers, the

<sup>31</sup> Applicants are not requesting and the Commission is not providing any relief for transaction fees received in connection with any Co-Investment Transaction.

Affiliated Funds, the other Regulated Funds or any affiliated person of the Affiliated Funds or the Regulated Funds will receive any additional compensation or remuneration of any kind as a result of or in connection with a Co-Investment Transaction other than (i) in the case of the Regulated Funds and the Affiliated Funds, the pro rata transaction fees described above and fees or other compensation described in Condition 2(c)(iii)(B)(z), (ii) brokerage or underwriting compensation permitted by Section 17(e) or 57(k) or (iii) in the case of the Advisers, investment advisory compensation paid in accordance with investment advisory agreements between the applicable Regulated Fund(s) or Affiliated Fund(s) and its Adviser.

**15. Proportionate Voting.** If the Holders own in the aggregate more than 25 percent of the Shares of a Regulated Fund, then the Holders will vote such Shares in the same percentages as the Regulated Fund's other shareholders (not including the Holders) when voting on (1) the election of directors; (2) the removal of one or more directors; or (3) any other matter under either the Act or applicable State law affecting the Board's composition, size or manner of election.

For the Commission, by the Division of Investment Management, under delegated authority.

**J. Matthew DeLesDernier,**  
Assistant Secretary.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-90450; File No. SR-ISE-2020-38]

### Self-Regulatory Organizations; Nasdaq ISE, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Make Technical and Conforming Amendments to Options 4, Sections 3 and 5

November 18, 2020.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on November 6, 2020, Nasdaq ISE, LLC ("ISE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> 17 CFR 240.19b-4.

publishing this notice to solicit comments on the proposed rule change from interested persons.

### **I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change**

The Exchange proposes to amend Options 4, Section 3, "Criteria for Underlying Securities," and Options 4, Section 5, "Series of Options Contracts Open for Trading" to relocate certain rule text and make other minor technical amendments.

The text of the proposed rule change is available on the Exchange's website at <https://listingcenter.nasdaq.com/rulebook/ise/rules>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

### **II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

#### **A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

##### **1. Purpose**

The Exchange proposes to amend Options 4, Section 3, "Criteria for Underlying Securities," and Options 4, Section 5, "Series of Options Contracts Open for Trading" to relocate certain rule text and make other minor technical amendments. This rule change is similar to a rule change filed by Nasdaq BX, Inc.<sup>3</sup>

##### **Options 4, Section 3**

The Exchange proposes to amend Options 4, Section 3(k)(i) to add the words "or ETNs" after the phrase "collectively known as "Index-Linked Securities" for additional clarity. The Exchange believes that this addition of "ETNs" will assist Members in locating this rule text.

##### **Options 4, Section 5**

The Exchange proposes to amend and relocate certain portions of Options 4, Section 5, as well as the Supplementary Material to Options 4, Section 5 in order that rule text related to certain strike listing programs be placed with related rule text. Proposed relocated rule text is not being amended with this proposal, unless otherwise noted.

The Exchange proposes to relocate Supplementary Material .10 within Options 4, Section 5 to new Options 4, Section 5(a)(1).

The Exchange proposes to amend ISE Options 4, Section 5(b) to mirror the exact language of BX Options 4, Section 5(b). The amendments to this provision (b) are non-substantive. The introductory clause is being removed as the Rule is read as whole. The phrase "type of options of a class of options" is being simplified to read "class of options." The term "shall" is being replaced with "will." A number "(1)" is being added next to the term "one." The phrase "expiration month and series for each class of options open for trading on the Exchange" is being replaced with "series of options in that class" for simplicity. The last sentence is being amended to replace "each" with "that" and replace "which is reasonably close" with "relative." Finally, the phrase "price per share at which the underlying stock is traded in the primary market at about the time that class of options is first opened for trading on the Exchange" is being replaced with "underlying stock price in the primary market at about the time that class of options is first opened for trading on the Exchange." These amendments are non-substantive.

The Exchange proposes to relocate Options 4, Section 5(f) to the end of Options 4, Section 5(c).

The Exchange proposes to remove the phrase "this Rule and" from ISE Options 4, Section 5(d) so that it is identical to BX Options 4, Section 5(d). The Exchange also proposes to add a "the" to that sentence. These amendments are non-substantive.

The Exchange proposes to relocate Options 4, Section 5(h) to the end of Options 4, Section 5(d). The Exchange proposes to amend the phrase "Fund Shares" to "Exchange-Traded Fund Shares." The citation to "Section 5(h)" is being replaced with "Section 3(h) of this Options 4". These amendments are non-substantive.

The Exchange proposes to relocate Supplementary Material .13 within Options 4, Section 5 to new Options 4, Section 5(e).

The Exchange proposes to relocate Supplementary Material .11 within

Options 4, Section 5 to new Options 4, Section 5(f).

The Exchange proposes to add a new ISE Options 4, Section 5(g), which is identical to BX Options 4, Section 5(g), which provides, "The Exchange will open at least one expiration month for each class of options open for trading on the Exchange." Today the Exchange opens at least one expiration month for each class of options. Adding this rule text will make clear the manner in which ISE lists options.

The Exchange proposes to relocate Supplementary Material .06 within Options 4, Section 5 to new Options 4, Section 5(h).

The Exchange proposes to relocate Supplementary Material .07 within Options 4, Section 5 to new Options 4, Section 5(i).

The Exchange proposes to add a new ISE Options 4, Section 5(j), which is identical to BX Options 4, Section 5(j), which provides, "The interval of strike prices may be \$2.50 in any multiply-traded option class to the extent permitted on the Exchange by the Commission or once another exchange trading that option lists strike prices of \$2.50 on such options class." The addition of this rule text will align ISE's Rule with BX's Rule and provide context on permissible intervals.

The Exchange proposes to add a new ISE Options 4, Section 5(k), which is identical to BX Options 4, Section 5(k), which provides, "New series of equity options, options on Exchange Traded Funds, and options on Trust Issued Receipts opened for trading shall be subject to the range limitations set forth in Options 4, Section 6(b)." The addition of this rule text will align ISE's Rule with BX's Rule and provide a cross-citation to the appropriate range limitation rule.

The Exchange proposes to amend Supplementary Material .01(a) to ISE Options 4, Section 5 to add the word "national" before securities exchange to conform ISE's rule text to BX's rule text at Supplementary Material .01(a) to Options 4, Section 5.

The Exchange proposes to amend Supplementary Material .01(b) to ISE Options 4, Section 5 to change the word "stock" to "security." This is a non-substantive amendment which conforms ISE's rule text to BX's rule text at Supplementary Material .01(b) to Options 4, Section 5.

The Exchange proposes to amend current Supplementary Material .01(b)(v) to ISE Options 4, Section 5 to add the title "Long-Term Options Series or" before "LEAPS" for greater context.

The Exchange proposes to amend current Supplementary Material .01(d)

<sup>3</sup> See Securities Exchange Act Release No. 90218 (October 19, 2020), 85 FR 67579 (October 23, 2020) (SR-BX-2020-030) (Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Make Technical Amendments to the Options Listing Rules).

to ISE Options 4, Section 5 to remove the word “Interval” in two places to conform ISE’s rule text to BX’s rule text at Supplementary Material .01(d) to Options 4, Section 5.

The Exchange proposes to relocate Supplementary Material .01(e) to ISE Options 4, Section 5 to the end of Supplementary Material .01(b) to Options 4, Section 5.

The Exchange proposes to relocate ISE Options 4, Section 5(g) to Supplementary Material .02 within Options 4, Section 5 and add a title “\$2.50 Strike Price Interval Program.”<sup>4</sup>

The Exchange proposes to relocate Supplementary Material .12 within ISE Options 4, Section 5 to the end of renumbered Supplementary .03(e) of Options 4, Section 5.

The Exchange proposes to delete the first sentence of renumbered Supplementary Material .03(e) within ISE Options 4, Section 5 of the Short Term Options Series Program, which provides “The interval between strike prices on Short Term Option Series shall be the same as the strike prices for series in that same option class that expire in accordance with the normal monthly expiration cycle.” The Exchange notes that this rule text is not necessary because with the relocation of the strike listing rules for Short Term Option Series, which are proposed to be relocated from Supplementary Material .13 of Options 4, Section 5 to the end of Supplementary .03(e) of Options 4, Section 5, the reference becomes unnecessary.

The Exchange proposes to remove Supplementary Material .04 to ISE Options 5, Section 4 as this cross reference to the Mini-Nasdaq-100 Index (“MNX” or “Mini-NDX”) is not necessary as this index is discussed within Options 4A, Section 12(c)(5). This amendment is non-substantive.

#### Other Technical Amendments

The Exchange proposes to update certain outdated citations to rule text within ISE Options 4, Section 5. The Exchange proposes to re-number and re-letter certain sections for consistency, and remove reserved sections from the rule.

#### 2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,<sup>5</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>6</sup> in particular, in that it is designed to

promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest. The Exchange’s proposal to make a non-substantive amendment to ISE Options 4, Section 3(k)(i) to add the more commonly used term “ETN” next to “Index-Linked Securities” will allow Members to search the rule text using the term “ETN”.

Amending ISE Options 4, Section 5 to relocate rule text within the related listing program will make the rule easier to understand. Conforming the rule text of ISE within Options 4, Section 5 to the rule text of BX within Options 4, Section 5 will harmonize the listing rules of these Nasdaq affiliated markets. The proposed amendments to conform ISE’s rule text to BX rule text are non-substantive. The technical rule changes within ISE Options 4, Section 5, to re-number and re-letter sections of the rule are non-substantive and intended to provide clarity to the rule text.

The Exchange’s proposal to add a new ISE Options 4, Section 5(g), which is identical to BX Options 4, Section 5(g), will add greater clarity to ISE’s rule. This rule makes clear that at least one expiration month for each class of options will be opened. Today the Exchange opens at least one expiration month for each class of options. Adding this rule text will make clear the manner in which ISE lists options.

The Exchange’s proposal to add a new ISE Options 4, Section 5(j), which is identical to BX Options 4, Section 5(j) will align ISE’s Rule with BX’s Rule and provide context on permissible intervals. Additionally, the proposal to add a new ISE Options 4, Section 5(k), which is identical to BX Options 4, Section 5(k), will align ISE’s Rule with BX’s Rule and provide a cross-citation to the appropriate range limitation rule.

The proposal to remove Supplementary Material .04 to ISE Options 5, Section 4 as this cross reference to the Mini-Nasdaq-100 Index (“MNX” or “Mini-NDX”) is not necessary as this product is discussed within Options 4A, Section 12(c)(5). This amendment is non-substantive.

The Exchange believes that the proposed amendments are consistent with the Act and the protection of investors and the general public because the amendments bring greater clarity to ISE’s listing rules.

#### B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose

any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule changes are non-substantive and are intended to provide greater clarity.

#### C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

#### III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>7</sup> and Rule 19b-4(f)(6) thereunder.<sup>8</sup>

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act<sup>9</sup> normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)<sup>10</sup> permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay. As the proposed rule change raises no novel issues and promotes clarity and consistency within the Exchange’s options listing rules, the Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the operative delay and designates the proposed rule change operative upon filing.<sup>11</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if

<sup>7</sup> 15 U.S.C. 78s(b)(3)(A).

<sup>8</sup> 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

<sup>9</sup> 17 CFR 240.19b-4(f)(6).

<sup>10</sup> 17 CFR 240.19b-4(f)(6)(iii).

<sup>11</sup> For purposes only of waiving the 30-day operative delay, the Commission also has considered the proposed rule’s impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

<sup>4</sup> The Exchange proposes to relocate current Supplementary Material .02 to Options 4, Section 5 to new Options 4, Section 6, as described below.

<sup>5</sup> 15 U.S.C. 78f(b).

<sup>6</sup> 15 U.S.C. 78f(b)(5).

it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.

#### IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

##### *Electronic Comments*

- Use the Commission's internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to [rule-comments@sec.gov](mailto:rule-comments@sec.gov). Please include File Number SR-ISE-2020-38 on the subject line.

##### *Paper Comments:*

- Send paper comments in triplicate to Secretary, Securities and Exchange Commission, 100 F Street NE, Washington, DC 20549-1090.
- All submissions should refer to File Number SR-ISE-2020-38. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's internet website (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for website viewing and printing in the Commission's Public Reference Room, 100 F Street NE, Washington, DC 20549 on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. All comments received will be posted without change. Persons submitting comments are cautioned that we do not redact or edit personal identifying information from comment submissions. You should submit only information that you wish

to make available publicly. All submissions should refer to File Number SR-ISE-2020-38, and should be submitted on or before December 15, 2020.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.<sup>12</sup>

**J. Matthew DeLesDernier,**  
Assistant Secretary.

BILLING CODE 8011-01-P

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-90454; File No. SR-FINRA-2020-040]

### Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Adopt Temporary Supplementary Material .17 (Temporary Relief To Allow Remote Inspections for Calendar Year 2020 and Calendar Year 2021) Under FINRA Rule 3110 (Supervision)

November 18, 2020.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on November 6, 2020, the Financial Industry Regulatory Authority, Inc. ("FINRA") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by FINRA. FINRA has designated the proposed rule change as constituting a "non-controversial" rule change under paragraph (f)(6) of Rule 19b-4 under the Act,<sup>3</sup> which renders the proposal effective upon receipt of this filing by the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to adopt temporary Supplementary Material .17 (Temporary Relief to Allow Remote Inspections for Calendar Year 2020 and Calendar Year 2021) under FINRA Rule 3110 (Supervision) to provide member firms the option, subject to specified requirements under the proposed

supplementary material, to complete remotely their calendar year 2020 and calendar year 2021 inspection obligations under FINRA Rule 3110(c) (Internal Inspections), without an on-site visit to the office or location.<sup>4</sup> The temporary rule change is necessitated by the compelling health and safety concerns and the operational challenges member firms are facing due to the sustained COVID-19 pandemic.<sup>5</sup>

Below is the text of the proposed rule change. Proposed new language is italicized; proposed deletions are bracketed.

\* \* \* \* \*

#### 3000. Supervision and Responsibilities Relating to Associated Persons

##### 3100. Supervisory Responsibilities

##### 3110. Supervision

(a) through (f) No Change

##### • • • Supplementary Material

.01 through .16 No Change

.17 Temporary Relief To Allow Remote Inspections for Calendar Year 2020 and Calendar Year 2021

(a) Use of Remote Inspections. Each member obligated to conduct an inspection of an office of supervisory jurisdiction, branch office or non-branch location in calendar year 2020 and calendar year 2021 pursuant to, as applicable, paragraphs (c)(1)(A), (B) and (C) under Rule 3110 may, subject to the requirements of this Rule 3110.17, satisfy such obligation by conducting the applicable inspection remotely, without an on-site visit to the office or location. In accordance with Rule 3110.16, inspections for calendar year 2020 must be completed on or before March 31, 2021 and inspections for

<sup>4</sup> SEC staff and FINRA have stated in guidance that inspections must include a physical, on-site review component. See SEC National Examination Risk Alert, Volume I, Issue 2 (November 30, 2011) and *Regulatory Notice* 11-54 (November 2011) ("Notice 11-54") (joint SEC and FINRA guidance stating, a "broker-dealer must conduct on-site inspections of each of its office locations; Office of Supervisory Jurisdictions ("OSJs") and non-OSJ branches that supervise non-branch locations at least annually, all non-supervising branch offices at least every three years; and non-branch offices periodically.") (footnote defining an OSJ omitted). See also SEC Division of Market Regulation, Staff Legal Bulletin No. 17: Remote Office Supervision (March 19, 2004) ("SLB 17") (stating, in part, that broker-dealers that conduct business through geographically dispersed offices have not adequately discharged their supervisory obligations where there are no on-site routine or "for cause" inspections of those offices).

<sup>5</sup> The proposed rule change will automatically sunset on December 31, 2021. If FINRA seeks to extend the duration of the temporary proposed rule beyond December 31, 2021, FINRA will submit a separate rule filing to further renew the temporary relief.

<sup>12</sup> 17 CFR 200.30-3(a)(12).
