

Phone comments will be limited to three minutes each to accommodate as many speakers as possible. A total of 30 minutes will be allocated to public comments. If more requests are received than can be accommodated, speakers will be randomly selected. The nature of the comments will not be considered in making this selection. Public comments may also be provided in writing. Individuals who would like to provide written comment should review directions at <https://www.hhs.gov/ash/advisory-committees/tickbornedisease/meetings/index.html> before sending their comments to tickbornedisease@hhs.gov on or before July 19, 2018.

During the meeting, the Working Group will review and vote on the content of the five draft chapters that will be included in the Working Group's Report to Congress. Persons who wish to receive the draft chapters should email the tickbornedisease@hhs.gov and request a copy. The chapters will be available prior to the meeting.

Background and Authority: The Tick-Borne Disease Working Group was established on August 10, 2017, in accordance with section 2062 of the *21st Century Cures Act*, and the Federal Advisory Committee Act, 5 U.S.C. App., as amended, to provide expertise and review all HHS, DoD and VA efforts related to tick-borne diseases to help ensure interagency coordination and minimize overlap, examine research priorities, and identify and address unmet needs. In addition, the Working Group is required to submit a report to the Secretary and Congress on their findings and any recommendations for improving the federal response to tick-borne disease prevention, treatment and research, and addressing gaps in those areas.

Dated: June 22, 2018.

James Berger,

Designated Federal Officer, Office of HIV/AIDS and Infectious Disease Policy, Tick-Borne Disease Working Group.
