Type of Review: Extension without change of a currently approved collection.

Title of Collection: PTE 2006-16 (Securities Lending by Employee Benefit Plans).

OMB Control Number: 1210-0065.

Affected Public: Private sector.

Estimated Number of Respondents: 100.

Total Estimated Annual Burden Hours: 191.

Description: Prohibited Transaction Exemption (PTE) 2006-16 permits an employee benefit plan to lend securities to certain broker-dealers and banks and to make compensation arrangements for lending services provided by a plan fiduciary in connection with such securities loans. In the absence of this

exemption, some aspects of these transactions might be prohibited under Section 406 of Employee Retirement Income Security Act of 1974 (ERISA). A plan fiduciary needs the collected information to meet its fiduciary obligation to participants and beneficiaries under ERISA section 404(a), which, among other things, require a fiduciary to discharge his duties respecting the plan solely in the interest of the plan's participants and beneficiaries and in a prudent fashion and to ensure the plan's security lending transactions qualify for exemptive relief. The Department uses the information to (1) ensure that the rights of participants and beneficiaries are protected, (2) effectively enforce the terms of the class exemption and (3) ensure user compliance. For additional information, see related notice published in the **Federal Register** on September 25, 2009 (Vol. 74, page 49022).
