

Responsible Official

The responsible official will be the Forest Supervisor for the Six Rivers National Forest.

Nature of Decision To Be Made

The responsible official will consider the comments, response, disclosure of environmental consequences, and applicable laws, regulations, and policies in making the decision and stating the rationale in the Record of Decision.

Scoping Process

Comments received during the initial scoping process, the 45-day public comment period for the original DEIS, and the appeal filing period provided numerous opportunities for public comment. Since this NOI involves the intent to publish a supplemental EIS instead of the initiation of a new project, no additional comments are needed at this time. Public comment will again be solicited at the onset of the 45-day comment period when the supplemental DEIS is published.

Dated: April 15, 2010.

Tyrone Kelley,

Forest Supervisor, Six Rivers National Forest.
