#### SUPPLEMENTARY INFORMATION:

*Title:* 7 CFR, Part 1951, Subpart F, "Analyzing Credit Needs and Graduation of Borrowers."

*OMB Number:* 0575-0093.

*Expiration Date of Approval:* June 30, 2000.

*Type of Request:* Extension of a currently approved information collection.

*Abstract:* Section 333 of the Consolidated Farm and Rural

Development Act (Con Act) (7 U.S.C. 1983) and § 502 of the Housing Act of 1949 (42 U.S.C. 1472) require the Agencies to "graduate" their direct loan borrowers to other credit when they are able to do so. Graduation is required because Government loans are not meant to be extended beyond a borrower's need for subsidized rates or government credit. The borrower must refinance their direct Government loan when other credit becomes available at reasonable rates and terms. If other credit is not available the Agency will continue to review the borrower for possible graduation at periodic intervals. Also, § 333A(f) of the Con Act (7 U.S.C. 1983a (f)) requires the Agency to provide a financial prospectus to lenders who may be interested in providing credit to Farm Service Agency direct farm loan borrowers with an FSA guarantee. The information collected to carry out these statutory mandates is financial data such as amount of income, farm operating expenses, asset values, and liabilities. This information collection is submitted by the Agencies' borrowers to Agency offices and is used in the Agencies' efforts to graduate direct borrowers to private credit.

*Estimate of Burden:* Public reporting for this collection of information is estimated to average 3 hours per response.
