SUPPLEMENTARY INFORMATION:

Title: Forms FNS-143, Claim for Reimbursement (Summer Food Service Program).

OMB Number: 0584-0041.

Expiration Date: March 31, 2003.

Type of Request: Extension of a currently approved collection.

Abstract: The SFSP claim for reimbursement form, FNS-143, is used to collect meal and cost data from sponsoring organizations whose participation in this program is administered directly by FNS Regional Offices (Regional Office Administered Programs or ROAP). FNS Regional offices directly administer participation in this program for sponsoring organizations in Virginia and Michigan. In order to determine the amount of reimbursement sponsoring organizations are entitled to receive for meals served, they must complete these forms. The completed forms are submitted to the Child Nutrition Payments Center at the FNS Mid-Atlantic Regional Office where they are entered into a computerized payment system. The payment system computes earned reimbursement.

Earned reimbursement in the SFSP is based on performance which is measured as an assigned rate for operations and for administration per meal served, with cost comparisons to actual operational and administrative costs. To fulfill the earned reimbursement requirements set forth in SFSP regulations issued by the Secretary of Agriculture (7 CFR 225.9), the meal and cost data must be collected on form FNS-143. These forms are an intrinsic part of the accounting system being used currently by the subject programs to ensure proper reimbursement as well as to facilitate adequate recordkeeping.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average .5 hours per response.

Respondents: The respondents are sponsoring organizations participating in the SFSP under the auspices of the FNS ROAP.

Estimated Total Number of Respondents: 212.

Estimated Number of Responses Per Respondent: 4.

Estimated Hours Per Response: .5.
Estimated Total Annual Burden on Respondents: 424.

Dated: March 25, 2003.

Associate Administrator.

In accordance with § 351.213 (b) of the regulations, an interested party as defined by section 771(9) of the Act may request in writing that the Secretary conduct an administrative review. For both antidumping and countervailing duty reviews, the interested party must specify the individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order or suspension agreement for which it is requesting a review, and the requesting party must state why it desires the Secretary to review those particular producers or exporters. If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin and each country of origin is subject to a separate order, then the interested party must state specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

Seven copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230.
