

claimed interested party status under section 771(9)(C) of the Act, as producers in the United States of the domestic like product. On February 2, 2023, the domestic interested parties submitted timely adequate substantive responses to the *Initiation Notice* for each sunset review within the 30-day period, as specified in 19 CFR 351.218(d)(3)(i).⁴

On January 25, 2023, Commerce notified the U.S. International Trade Commission that it received notices of intent to participate from the domestic interested parties.⁵ Commerce did not receive substantive responses from respondent interested parties in these sunset reviews. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce conducted expedited, *i.e.*, 120-day sunset reviews of the *Orders*.

Scope of the Orders

The products covered by these *Orders* are pipe and tube. A full description of the scope of the *Orders* is contained in the Issues and Decision Memorandum.⁶

Analysis of Comments Received

All issues raised in these sunset reviews, including the likelihood of continuation or recurrence of dumping and the magnitude of the margins of dumping likely to prevail if the orders are revoked, are addressed in the Issues and Decision Memorandum. A list of topics discussed in the Issues and Decision Memorandum is included as the appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNotices/ListLayout.aspx>.

⁵ See Commerce's Letter, "Sunset Reviews for January 2023," dated January 25, 2023.

⁶ See Memorandum, "Issues and Decision Memorandum for the Final Results of the Expedited Fifth Sunset Reviews of the Antidumping Duty Orders on Certain Welded Carbon Steel Pipes and Tubes from India, Thailand, and the Republic of Turkey," dated concurrently with, and hereby adopted by, this notice (Issues and Decision Memorandum).

Final Results of Sunset Reviews

Pursuant to sections 751(c)(1) and 752(c)(1) and (3) of the Act, Commerce determines that revocation of the *Orders* on pipe and tube from India, Thailand, and Turkey would be likely to lead to continuation or recurrence of dumping, and that the magnitude of the margins of dumping likely to prevail would be at margins up to 87.93 percent for India, 15.60 percent for Thailand, and 23.12 percent for Turkey.

Administrative Protective Order

This notice serves as a reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

We are issuing and publishing these final results and notice in accordance with sections 751(c), 752(c), and 777(i)(1) of the Act, and 19 CFR 351.221(c)(5)(ii).
