technical issues associated with  
implementation of the Clean Air Act  
(CAA) as requested by EPA. These  
issues include the development,

programs required by the Act. The  
CAAAC will provide advice and

potential health, environmental and

technical contents of proposed major  
EPA rulemaking and guidance required  
by the Act in order to help effectively

average workload for the members is  
approximately 5 to 10 hours per month.

Although EPA is unable to offer  
compensation or an honorarium for  
CAAAC members, they may receive  
travel and per diem allowances,  
according to applicable federal travel
