

companies that have a separate rate, the cash deposit rate will be that established in the final results of this review (except, if the rate is zero or *de minimis*, then zero cash deposit will be required); (2) for previously investigated or reviewed Chinese or non-Chinese exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the China-wide entity (*i.e.*, 216.37 percent); and (4) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results of review in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: May 3, 2021.

Christian Marsh,

Acting Assistant Secretary, Enforcement and Compliance.

BILLING CODE 3510-DS-P

DEPARTMENT OF COMMERCE

International Trade Administration

United States Investment Advisory Council

AGENCY: SelectUSA, International Trade Administration, Department of Commerce.

ACTION: Notice of an open meeting

SUMMARY: In accordance with the Federal Advisory Committee Act

(FACA), this notice announces, the United States Investment Advisory Council (Council) will hold a virtual meeting on Wednesday, June 9, 2021.

DATES: Wednesday, June 9, 2021, 12:30–02:00 p.m. EDT. The deadline for members of the public to register, including requests to make comments during the meeting and for auxiliary aids, or to submit written comments for dissemination prior to the meeting is 5:00 p.m. EDT on June 2, 2021. Registration, comments, and any requests should be submitted via email to IAC@trade.gov.

ADDRESSES: The meeting will be held virtually due to the current COVID-19 pandemic. Requests to register (including to speak) and any written comments should be submitted to: United States Investment Advisory Council, U.S. Department of Commerce, 1401 Constitution Avenue NW, Room 30011, Washington, DC 20230, or emailed to: IAC@trade.gov. Members of the public are encouraged to submit registration requests and written comments via email to ensure timely receipt.

FOR FURTHER INFORMATION CONTACT: Rachel David, United States Investment Advisory Council, Room 30011, 1401 Constitution Avenue NW, Washington, DC 20230, phone: (202) 302-6858, email: IAC@trade.gov.

SUPPLEMENTARY INFORMATION: The United States Investment Advisory Council (Council) was established by the Secretary of Commerce (Secretary) pursuant to duties imposed by 15 U.S.C. 1512 upon the Department and in compliance with the Federal Advisory Start Printed Page 51682 Committee Act, as amended, 5 U.S.C. App.

The Council advises the Secretary on matters relating to the promotion and retention of foreign direct investment in the United States. At the meeting, members will provide updates on the work they have done to present in identifying and deliberating on policy priorities regarding the facilitation of foreign direct investment into the United States. These policy priorities include deregulation and the streamlining of processes that affect business investment opportunities across U.S. regions, the facilitation of infrastructure investment, workforce development, and mechanisms to increase investment competitiveness for domestic manufacturing companies, in addition to other topics. The agenda may change to accommodate Council business. The final agenda will be posted on the Department of Commerce website for the Council at: <http://trade.gov/IAC>.

trade.gov/IAC, at least one week in advance of the meeting.

Public Participation: The meeting will be open to the public and will be accessible to people with disabilities. All guests are required to register in advance by the deadline identified under the **DATES** caption. Requests for auxiliary aids must be submitted by the registration deadline. Last minute requests will be accepted but may be impossible to fill. There will be fifteen (15) minutes allotted for oral comments from members of the public joining the meeting. To accommodate as many speakers as possible, the time for public comments may be limited to three (3) minutes per person. Individuals wishing to reserve speaking time during the meeting must submit a request at the time of registration, as well as the name and address of the proposed speaker. If the number of registrants requesting to make statements is greater than can be reasonably accommodated during the meeting, the International Trade Administration may conduct a lottery to determine the speakers.

Speakers are requested to submit a written copy of their prepared remarks by 5:00 p.m. EDT on June 2, 2021, for inclusion in the meeting records and for circulation to the Members of the Council.

In addition, any member of the public may submit pertinent written comments concerning the Council's affairs at any time before or after the meeting. Comments may be submitted to Rachel David at the contact information indicated above. To be considered during the meeting, comments must be received no later than 5:00 p.m. EDT on June 2, 2021, to ensure transmission to the Council members prior to the meeting. Comments received after that date and time will be distributed to the members but may not be considered during the meeting. Comments and statements will be posted on the United States Investment Advisory Council website (<http://trade.gov/IAC>) without change, including any business or personal information provided such as it includes names, addresses, email addresses, or telephone numbers. All comments and statements received, including attachments and other supporting materials, are part of the public record and subject to public disclosure. You should submit only information that you wish to make publicly available.

Copies of Council meeting minutes will be available within 90 days of the meeting.

Bill Burwell,

Deputy Executive Director, SelectUSA.

BILLING CODE 3510–DR–P

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; NOAA Geospatial Metadata

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on January 29, 2021 (86 FR 7541) during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: National Oceanic & Atmospheric Administration (NOAA), Commerce.

Title: NOAA Geospatial Metadata tools.

OMB Control Number: 0648–0024.

Form Number(s): None.

Type of Request: Regular submission, revision and extension of a current information collection.

Number of Respondents: 1,430.

Average Hours per Response: 1.75.

Total Annual Burden Hours: 2,590.

Needs and Uses: This request is for revision and extension of a currently approved information collection. The National Oceanic and Atmospheric Administration (NOAA) collects, generates, retains, and redistributes geospatial metadata in a wide array of data formats covering diverse aspects of earth, biological, and space sciences. To fully understand and reuse these data over the course of many years, NOAA provides several metadata documentation tools for various communities of users to enable them to easily create complete, standards-based descriptive information about geospatial

data. The following tools, in use or planned for use by NOAA Program offices, are authorized to collect geospatial metadata consistent with Executive Order 12906, NOAA Administrative Order 212–15, and the 2013 Office of Science and Technology Policy Memorandum ‘Public Access to Research Results’. Geospatial metadata collected by the listed tools are ‘voluntary’ but the ability for data documented by relevant geospatial metadata is significantly degraded if metadata are incomplete, inaccurate or otherwise less than the information collection tool supports.

National Environmental Satellite, Data and Information Service (NESDIS): Send2NCEI web application (currently approved as OMB Control Number: 0648–0024).

National Environmental Satellite, Data and Information Service: Advanced Tracking and Resource tool for Archive Collections (ATRAC) web application.

National Environmental Satellite, Data and Information Service: Collection Metadata Editing Tool (CoMET) web application.

National Marine Fisheries Service (NMFS): InPort metadata authoring tool.

Office of Oceanic and Atmospheric Research (OAR): Science Data Information System (SDIS) metadata and data submission tool.

Collecting geospatial metadata is necessary to fully understand, use, and reuse geospatial data since the metadata provides contextual information about data formats, bounding areas, use and access limitations (if any). Geospatial metadata from this information collection also supports multiple search and discovery catalog services, such as data.gov, NASA Global Change Master Directory (GCMD), and many others.

Information will be collected from data producers (primarily university, private industry, and government-funded scientific researchers) in multiple fields of geosciences, biological and atmospheric sciences, and socio-economic sciences. Geospatial metadata typically includes descriptive information about specific observed, calculated, or modelled data (e.g., title, abstract, purpose statement, descriptive discovery keywords), characteristics of the described data (e.g., date and spatial range of data collection activities, data processing steps, collected/measured variables and units of measure for those variables) and administrative information (e.g., who collected or created data and metadata, how to cite data when used in scientific analyses). Information collected by the listed tools is used to inform the appropriate use of

data described by related geospatial metadata.

The existing OMB control number is expanded to include other information collection instruments that collect similar kinds of geospatial metadata but that have different community-based practices or standards that provide for more or less details in the metadata requested. Additionally, the title of the collection is being changed from National Centers for Environmental Information (NCEI) Send2NCEI Web Application to NOAA Geospatial Metadata to reflect the information being collected.

Affected Public: Business or other for-profit organizations; Not-for-profit institutions; State, Local, or Tribal government; Federal government.

Frequency: As needed for geospatial data documentation purposes.

Respondent's Obligation: Voluntary.

Legal Authority: Executive Order 12906 and the 2013 Office of Science and Technology Policy Memorandum ‘Public Access to Research Results’.

This information collection request may be viewed at www.reginfo.gov. Follow the instructions to view the Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function and entering either the title of the collection or the OMB Control Number 0648–0024.

Sheleen Dumas,

Department PRA Clearance Officer, Office of the Chief Information Officer, Commerce Department.
