

Needs and Uses: The Department uses this form as the means to fulfill its obligation under the Federal Election Campaign Act of 1971 (the Act). The Act's legislative history indicates that one of its statutory goals is to prevent candidates for Federal political office from incurring large amounts of unsecured debt with regulated transportation companies (e.g., airlines). This information collection allows the Department to monitor and disclose the amount of unsecured credit extended by airlines to candidates for Federal office. All certificated air carriers are required to submit this information.

The Confidential Information Protection and Statistical Efficiency Act of 2002 (44 U.S.C. 3501 note), requires a statistical agency to clearly identify information it collects for non-statistical purposes. BTS hereby notifies the respondents and the public that BTS uses the information it collects under this OMB approval for non-statistical purposes including, but not limited to, publication of both Respondent's identity and its data, submission of the information to agencies outside BTS for review, analysis and possible use in regulatory and other administrative matters.

Issued in Washington, DC, on March 1, 2021.

William Chadwick, Jr.,

*Director, Office of Airline Information,
Bureau of Transportation Statistics.*
