

and sixty-two thousand five hundred dollars (\$62,500.00) to be paid one year from the date on which this Settlement Agreement and Order became final.

Upon failing to make a payment or upon making a payment that is at least five days late, the outstanding balance of the civil penalty shall become due and payable by Tensor Corporation, and the interest on the outstanding balance shall accrue and be paid at the federal legal rate under the provisions of 27 U.S.C. sections 1961 (a) and (b).

In the Matter of Tensor Corporation
[CPSC DOCKET NO. 01-C0003]

Provisionally accepted and
Provisional Order issued on the 10th
day of January, 2001.

By Order of the Commission.

Sadye E. Dunn,

*Secretary, U.S. Consumer Product Safety
Commission.*

BILLING CODE 6355-01-M

DEPARTMENT OF DEFENSE

Office of the Secretary

Proposed Collection; Comment Request

AGENCY: Department of Defense, Office of the Under Secretary of Defense (Acquisition, Technology, and Logistics)/Defense Technical Information Center.

ACTION: Notice.

In compliance with section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Office of the Under Secretary of Defense (Acquisition, Technology, and Logistics)/Defense Technical Information Center (DTIC), announces the proposed extension of a currently approved collection and seeks public comment on the provisions thereof. Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed information collection; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Consideration will be given to all comments received by March 19, 2001.

ADDRESSES: Interested parties should submit written comments and recommendations on the proposed information collection to: ATTN: DTIC-BC, Defense Technical Information Center, 8725 John J. Kingman Road, Suite 0944, Fort Belvoir, VA 22060-6218; E-mail comments submitted via the Internet should be addressed to: laxe@dtic.mil.

FOR FURTHER INFORMATION CONTACT: To request further information on this proposed information collection, or to obtain a copy of the proposal and associated collection instrument, please write to the above address or call Ms. Linda Axe at (703) 767-8194.

Title, Associated Form, and OMB Number: Registration for Scientific and Technical Information Services, DD Form 1540, OMB Control Number 0704-0264.

Needs and Uses: The data that the Defense Technical Information Center handles is controlled, either because of distribution limitations or security classification. For this reason, all potential users are required to register for service. DODI 3200.14, Principles and Operational Parameters of the DOD Scientific and Technical Information Program, mandates the registration procedure. Federal Government agencies and their contractors are required to complete the DD Form 1540, Registration for Scientific and Technical Information Services (OMB Number 0704-0264). The contractor community completes a separate DD Form 1540 for each contract or grant and registration is valid until the contract expires.

Affected Public: Businesses or other for-profit; Small Businesses or organizations; Non-profit institutions.

Annual Burden Hours: 833.

Number of Annual Respondents: 2,000.

Annual Responses to Respondent: 1.

Average Burden Per Response: 25 minutes.

Frequency: On occasion.

SUPPLEMENTARY INFORMATION:

Summary of Information Collection

The DOD Scientific and Technical Information Program (STIP) requires the exchange of scientific and technical information within and among Federal Government agencies and their contractors. The DD Form 1540 serves as a registration tool for Federal Government agencies and their contractors to access DTIC services. The contractors, subcontractors, and potential contractors are required to obtain certification from designated approving officials. Federal Government agencies need certification from

approving officials and security offices only when requesting access to classified data. All collected information is verified by DTIC's Marketing and Registration Division.

Dated: January 10, 2001.

Patricia L. Toppings,

*Alternate OSD Federal Register Liaison
Officer, Department of Defense.*

BILLING CODE 5001-10-M

DEPARTMENT OF DEFENSE

Office of the Secretary

Submission for OMB Review; Comment Request

ACTION: Notice.

The Department of Defense will submit to OMB for emergency processing, the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Title and OMB Number: Foreign Sourcing for Defense Application; OMB Number 0704-[To Be Determined].

Type of Request: New Collection; Emergency processing requested with a shortened public comment period ending February 7, 2001. An approval date by February 15, 2001 has been requested.

Number of Respondents: 3,205.

Responses Per Respondent: 1.

Annual Responses: 3,205.

Average Burden Per Response: 5 hours.

Annual Burden Hours: 16,025.

Needs and Uses: The information is required for the Department of Defense (DoD) to evaluate, for certain defense programs, the: (1) Extent of foreign sourcing within the defense products; (2) impact such foreign sourcing has on military readiness and the related domestic industrial infrastructure; and, (3) extent to which DoD or contractor policies, procedures, practices, or actions encourage or discourage consideration of foreign sources for defense products. The evaluation is required by section 831 of the National Defense Authorization Act for Fiscal Year 2001. Section 831 requires the Secretary of Defense to conduct a study analyzing the impact that foreign sources have on six specific defense systems to include the AH-64D Apache helicopter, F/A-18E/F aircraft, M1A2 Abrams tank, AIM 120 AMRAAM missile, Patriot missile ground station, and Hellfire missile. To ensure it can address emerging foreign sourcing issues, DoD will also evaluate foreign
