

data collected in 2010 will be added to the existing NCFO database.

Respondents: The target population for the survey will be all of the approximately 260 operators of existing ferry services in the United States.

Estimated Average Burden per Response: The burden per respondent is estimated to be an average of 20 minutes. This average is based on an estimate of 10 minutes to answer new questions and an additional 10 minutes to review (and revise as needed) previously submitted data.

Estimated Total Annual Burden: The total annual burden (in the year that the survey is conducted) is estimated to be just under 87 hours (that is 20 minutes per respondent for 260 respondents equals 5,200 minutes or 86.7 hours, i.e., 86:42).

Frequency: This survey will be updated every other year.

Public Comments Invited: Interested parties are invited to send comments regarding any aspect of this information collection, including, but not limited to: (1) The necessity and utility of the information collection for the proper performance of the functions of the DOT; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the collected information; and (4) ways to minimize the collection burden without reducing the quality of the collected information. Comments submitted in response to this notice will be summarized and/or included in the request for OMB's clearance of this information collection.

Authority: The Transportation Equity Act for the 21st Century, (Pub. L. 105-178), section 1207(c) and The Safe, Accountable, Flexible Efficient Transportation Equity Act—A Legacy for Users (SAFETEA-LU) Public Law 109-59 and 49 CFR 1.46.

Issued in Washington, DC on the 24th day of November 2009.
