It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the

Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Title of Collection: HEERF Quarterly Budget and Expenditure Reporting.

OMB Control Number: 1840-0849.

Type of Review: A revision of a currently approved collection.

Respondents/Affected Public: Private Sector; State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 20,680.

Total Estimated Number of Annual Burden Hours: 103,400.

Abstract: Section 18004(a)(1) of the CARES Act, Public Law 116-136 (March 27, 2020), authorizes the Secretary of Education to allocate formula grant funds to participating institutions of higher educations (IHEs). Section 18004(c) of the CARES Act allows the IHEs to use up to one-half of the total funds received to cover any costs associated with the significant changes to the delivery of instruction due to the coronavirus (with specific exceptions). Section 18004(a)(2) of the CARES Act authorizes the Secretary to make awards under parts A and B of title III, parts A and B of title V, and subpart 4 of part A of title VII of the Higher Education Act of 1965, as amended ("HEA"), to address needs directly related to the coronavirus. These awards are in addition to awards made in Section 18004(a)(1) of the CARES Act. Section 18004(a)(3) of the CARES Act, Pub. authorizes the Secretary to allocate funds for part B of Title VII of the HEA, for IHEs that the Secretary determines have the greatest unmet needs related to coronavirus.

This information collection request includes additions and revisions to the quarterly budget and expenditure reporting form used by grantees under these sections of the CARES Act, as well as comparable sections of the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA) (Pub. L. 116-260) and the American Rescue Plan Act of 2021 (ARP) (Pub. L. 117-2). These revisions to the collection will ensure the Department will be able to more effectively monitor the use of funds by grantees that have received awards under these sections. The majority of

the quarterly report aligns closely with the recently-approved annual reporting form, for which 60- and 30-day comment notices were published.

Additional Information: The Department is requesting emergency approval to allow the revisions to be implemented and announced prior to the first quarter reporting deadline on April 10, 2022. If the Department is unable to implement the changes in time for this reporting deadline, the Department will be lacking critical information needed to monitor and provide technical assistance to HEERF grantees. Given the amount of HEERF funds that have been distributed, it is imperative that the Department has the information needed to ensure that all uses of funds are in accordance with the governing statutes and program guidance.

Kate Mullan,

PRA Coordinator, Strategic Collections and Clearance, Governance and Strategy Division, Office of Chief Data Officer, Office of Planning, Evaluation and Policy Development.
