[Investigation Nos. 701–TA–607 and 731–TA–1417 and 1419 (Review)]

Steel Propane Cylinders From China and Thailand; Notice of Commission Determination To Conduct Full Five-Year Reviews

AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice that it will proceed with full reviews pursuant to the Tariff Act of 1930 to determine whether revocation of the countervailing duty order on steel propane cylinders from China and the antidumping duty orders on steel propane cylinders from China and Thailand would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the reviews will be established and announced at a later date.

DATES: October 4, 2024.

FOR FURTHER INFORMATION CONTACT:

Kenneth Gatten III (202–708–1447), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. SUPPLEMENTARY INFORMATION: On October 4, 2024, the Commission determined that it should proceed to full reviews in the subject five-year reviews pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. 1675(c)). The Commission found that both the domestic interested party group response and the respondent interested party group response from Thailand to its notice of institution (89 FR 54531, July 1, 2024) were adequate, and determined to conduct full reviews of the orders on imports from Thailand. The Commission also found that the respondent interested party group response from China was inadequate but determined to conduct full reviews of the orders on imports from China in order to promote administrative efficiency in light of its determination to conduct a full review of the order with respect to Thailand. A record of the Commissioners' votes will be available

from the Office of the Secretary and at the Commission's website.

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.62 of the Commission's rules.
