Notice of Intent (NOI) To Prepare an Environmental Impact Statement (EIS) for Housing Privatization Phase II at Hickam Air Force Base and Bellows Air Force Station, O'ahu, HI (Including Privatization of Housing in Historic Districts Eligible for Inclusion on the National Historic Register of Historic Places)

AGENCY: United States Air Force.

ACTION: Notice of intent.

SUMMARY: Pursuant to the National Environmental Policy Act (NEPA) of 1969, as amended (42 United States Code 4321, *et seq.*), the Council on Environmental Quality (CEQ) Regulations for implementing the procedural provisions of NEPA (40 Code of Federal Regulations (CFR) Parts 1500-1508), and Air Force's

Environmental Impact Analysis Process (EIAP) as implemented by 32 CFR Part 989, the United States Air Force (Air Force) is issuing this notice to advise the public of our preparation of an Environmental Impact Statement (EIS) for the Housing Privatization Phase II at Hickam Air Force Base (AFB) and Bellows Air Force Station (AFS), O'ahu, Hawaii (Including Privatization of Housing in Historic Districts Eligible for Inclusion on the National Register of Historic Places). The project will require Section 106 consultation pursuant to the National Historic Preservation Act to run concurrently with the NEPA documentation. The Air Force proposes to transfer 1,332 housing units (1,326 units on Hickam AFB and six units on Bellows AFS) and associated facilities (*e.g.*, sidewalks and roads) to a successful offeror (SO) and implementation of a long-term lease to the SO for land associated with the housing units.

The current proposal evaluates four alternatives—(1) No Action; (2) Proposed Action: Privatization of remaining housing units on Hickam AFB and Bellows AFS to include the removal of historic homes from the housing inventory (demolition, relocate from the site, redesignation as non-residential units or a combination of these three sub alternatives); (3) privatization of remaining housing units on Hickam AFB and Bellows AFS with terms and conditions to insure preservation of historic property; and (4) privatization of remaining housing units on Hickam AFB and Bellows AFS with the exception of housing units in the historic districts that would remain under Government control.

Information: The Air Force, through the 15 Airlift Wing (AW), will conduct a Public Scoping Meeting on February 17, 2005, 6 p.m. at the Best Western Plaza Hotel, 3253 N. Nimitz Highway, Honolulu, Hawaii. The meeting's purpose is to determine the environmental issues and concerns to be analyzed, to solicit comments on the Proposed Action and alternatives, and to solicit input for other alternatives to be considered in the EIS. All comments received during the scoping meeting will be considered prior to the Air Force making a final decision.

Point of Contact: For further information concerning the proposed action or alternatives to the proposed action, please contact Mr. Richard Parkinson, Chief, Environmental Flight, 15 CES/CEV, 75 H Street, Hickam AFB,

HI 96853-5233, phone: (808) 449-1584, x232.

Mandatory Use of US Bank's Power Track System by Department of Defense Personal Property Transportation Service Providers (TSPs)

AGENCY: Department of the Army, DOD.

ACTION: Notice.

SUMMARY: The Military Surface Deployment and Distribution Command (SDDC), as the Traffic Manager for Department of Defense (DOD) Personal Property Program, is informing the TSP community of SDDC's mandatory requirement to use US Bank's PowerTrack System as the transaction and payment system for all DOD TSP's handling personal property. Furthermore, the use of SDDC's Centralized Web Application (CWA) will also be mandatory. This mandatory usage is effective 30 days from publication of this notice beginning with all TSP's who have a Letter of Intent (LOI) on file with participating sites. Each time a new site is added to Phase I, TSPs not participating in Phase I will have 30 days to execute a Trading Partner Agreement with USBank and be PowerTrack certified. Implementation of PowerTrack at all Military Services and Coast Guard installations is the goal of Families First, which is the first step in moving toward the reengineered Personal Property Program of the future.

This announcement is a follow-on to **Federal Register** notices published on June 5, 2003 (68 FR 33683) and September 29, 2003 (68 FR 55947) proposing mandatory use of US Bank's Power Track System by Department of Defense Personal Property Transportation Service Providers. Effective 30 days from publication of this notice, they are required to have a Trading Partner Agreement with US Bank and be PowerTrack certified in order to participate in the DoD Personal Property Program. This notice affords TSP's ample time to plan for the use of PowerTrack. The Electronic Billing and Payment portion of the Families First Web site is located at <http://www.sddc.army.mil>, under Personal Property Program. This site offers industry access to updates on the Business Rules, Concept of Operations (CONOPS), System Interface Specifications and the latest information.
