Re: Tonto Apache Tribe Amended  
Gaming Ordinance

Dear Chairman Johnson,

This letter responds to the January 30, 2024 resubmission on behalf of the Tonto Apache Tribe (Tribe) informing the National Indian Gaming Commission (NIGC) that the Tribe amended its gaming ordinance and regulations. We understand that these amendments reflect changes in tribal law and ensure consistency with federal and state law as required by its gaming compact with the state of Arizona. Upon review, many of the amendments are technical and non-substantive in nature, with some substantive changes made regarding the tribal gaming regulatory body and internal ethics standards.

We understand that that the Ordinance requires a “request for” fingerprints by the Executive Director on licensing applications, rather than just the fingerprints themselves. 25 CFR 556.4(a)(6) requires that for licensing applications, a tribe shall request from each primary management official and from each key employee fingerprints consistent with procedures adopted by said tribe. We interpret that the Tribe will still require fingerprint submissions for licensing applications consistent with our regulations.

Thank you for bringing these amendments to our attention. The amended ordinance and regulations, as noted above, are approved as they are consistent with the requirements of the Indian Gaming Regulatory Act and NIGC’s regulations. If you have any questions or require anything further, please contact Logan Takao Cooper at (503) 318–7524 or [Logan.Takao-Cooper@nigc.gov](mailto:Logan.Takao-Cooper@nigc.gov).

Sincerely,

E. Sequoyah Simermeyer,  
Chairman.
