

with Food Stamp Program participants. We rely on these same educators to submit their best recipes to us for review, analysis and posting in the database. Data collected using the "FSNC Recipe Review Form" will help identify the success or value of the nutrition education and budgeting tool with Food Stamp Program participants.

Need and Use of the Information:

Food Stamp Program nutrition educators have the opportunity to submit recipes on-line saving the authors time while providing a fast and accurate vehicle in which to communicate with the authors. At the same time, submitted recipes will be reviewed for the purposes of ensuring that only high quality information remains in the database. The information will be collected electronically. If this collection was not conducted, it would inhibit the ability of the target audience to participate in a valuable resource that will assist them and in turn the Food Stamp Program participant.

Description of Respondents: Not-for Profit Institutions; Business or other for-profit; Federal Government, and State, local or tribal government.

Number of Respondents: 150.

Frequency of Responses: Reporting: Annually.

Total Burden Hours: 30.

Charlene Parker,

Departmental Information Collection Clearance Officer.

DEPARTMENT OF COMMERCE

Office of the Secretary

Strengthening America's Communities Advisory Committee

AGENCY: Office of the Secretary, Department of Commerce.

ACTION: Notice of open meetings.

SUMMARY: The Strengthening America's Communities Advisory Committee (the "Committee") will convene public meetings on (i) Wednesday, June 1, 2005 to receive public comments on issues germane to the Committee's work and (ii) Thursday, June 2, 2005 to continue discussions on its high-level examination of key policy issues pertaining to the President's Strengthening America's Communities Initiative (the "Initiative").

DATES: Wednesday, June 1, 2005, beginning at 3 p.m. (EDT); and Thursday, June 2, 2005, beginning at 8:30 a.m. (EDT).

ADDRESSES: The meetings will take place at the Harborview Center, 300 Cleveland Street, Clearwater, Florida 33755.

FOR FURTHER INFORMATION CONTACT: Mr. Robert E. Olson, Designated Federal Officer of the Committee, Economic Development Administration, Department of Commerce, Room 7015, 1401 Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-4495; facsimile (202) 482-2838; e-mail: saci@eda.doc.gov. Please note that any correspondence sent by regular mail may be substantially delayed or suspended in delivery, since all regular mail sent to the Department of Commerce (the "Department") is subject to extensive security screening. For information about the Initiative, please visit the Department's Web site at <http://www.commerce.gov/SACI/index.htm>.

SUPPLEMENTARY INFORMATION: The meeting will be open to the public and seating will be available, but may be limited. Reservations are not accepted. Requests for sign language interpretation and other auxiliary aids must be transmitted by facsimile or e-mail to the contact person listed above no later than May 25, 2005.

The prospective agendas for the Committee meetings are as follows: June 1, 2005: Public Comment Period; and General Discussion of Committee Business; June 2, 2005: Call to Order; Opening Remarks; and Review and Discussion of Key Committee Issues.

Members of the public will have the opportunity to present oral comments to

the Committee on June 1, 2005. The Committee values most those public comments that bear upon issues under direct examination by the Committee, rather than issues unrelated to the Committee's current scope of discussion. Members of the public may also submit written statements to the contact person listed above at any time before or after the meeting. However, to facilitate distribution of written statements to Committee members, the Committee suggests that written statements be submitted to the Designated Federal Officer listed above by facsimile or e-mail no later than May 25, 2005.

The above agendas are subject to change. More detailed agendas (including details on the public comment portion of the meeting) will be posted on the Department's Web site at <http://www.commerce.gov/SACI/index.htm>, and a final agenda will be made available to the public prior to the Committee meetings.

Dated: May 11, 2005.

David Bearden,

Deputy Assistant Secretary of Commerce for Economic Development.

International Trade Administration

(A-351-832)

Notice of Final Results of Antidumping Duty Administrative Review: Carbon and Certain Alloy Steel Wire Rod from Brazil

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On November 8, 2004, the Department of Commerce (the Department) published the preliminary results of its first administrative review of the antidumping duty order on carbon and certain alloy steel wire rod from Brazil. The review covers one producer of the subject merchandise. The period of review (POR) is April 15, 2002, through September 30, 2003. Based on our analysis of comments received, these final results do not differ from the preliminary results. The final results are listed below in the Final Results of Review section.

EFFECTIVE DATE: May 17, 2005.

FOR FURTHER INFORMATION CONTACT: Constance Handley or David Neubacher, at (202) 482-0631 or (202) 482-5823, respectively; AD/CVD Operations, Office 1, Import Administration,

International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On November 8, 2004, the Department published in the **Federal Register** the preliminary results of the first administrative review of the antidumping duty order on carbon and certain alloy steel wire rod from Brazil. *See Notice of Preliminary Results of Antidumping Duty Administrative Review: Carbon and Certain Alloy Steel Wire Rod from Brazil*, 69 FR 64716 (November 8, 2004) (Preliminary Results).

We invited parties to comment on the *Preliminary Results*. On January 5, 2005, we received case briefs from the respondent, Companhia Siderúrgica Belgo Mineira, Belgo Mineira Participação Indústria e Comércio S.A. and BMP Siderúrgica S.A. (collectively, Belgo), Belgo's affiliate,¹ and the petitioners, Gerdau Ameristeel US Inc., Georgetown Steel Company, Keystone Consolidated Industries, Inc., and North Star Steel Texas, Inc.² The respondent and petitioners submitted rebuttal briefs on January 12, 2005. A public hearing was requested, with parties agreeing to limit it to issues raised on the scope inquiry that was initiated in conjunction with this administrative review.

Scope Issues

On October 27, 2004, the Department issued its preliminary ruling concerning the exclusion of grade 1080 tire cord quality wire rod and tire bead quality tire wire rod (1080 TCBQWR). *See Memorandum from Jesse Cortes, Analyst to Jeffery May, Deputy Assistant Secretary, Re: Carbon and Certain Alloy Steel Wire Rod from Brazil: Preliminary Scope Ruling on Grade 1080 Tire Cord Quality Wire Rod and Tire Bead Quality Wire Rod* (October 27, 2004). We received case briefs from Belgo and Bakaert, and the petitioners submitted rebuttal comments.

As mentioned above, a public hearing was held on the scope inquiry on January 28, 2005. On May 9, 2005, the Department issued its final ruling on the scope inquiry. *See Memorandum from*

¹ Bekaert Corporation (Bekaert U.S.) and N.V. Bekaert S.A. (N.V. Bekaert) (collectively, "Bekaert").

² Since the review was initiated, Georgetown Steel Company was purchased by International Steel Group and is now known as ISG Georgetown. As of November 1, 2004, Gerdau Ameristeel completed its purchase of the assets of North Star Steel, and that facility is now part of Gerdau Ameristeel.

David Neubacher, Analyst to Barbara E. Tillman, Acting Deputy Assistant Secretary, Re: Carbon and Certain Alloy Steel Wire Rod from Brazil: Final Scope Ruling on Grade 1080 Tire Cord Quality Wire Rod and Tire Bead Quality Wire Rod (*Final Scope Ruling*) (May 9, 2005), which is on file in the Central Records Unit in Room B-099 of the main Commerce building. For the final ruling, we have continued to hold that for entries prior to July 24, 2003, 1080 TCBQWR with inclusions greater than 20 microns measured in any direction, is excluded from the order.

Scope of the Order

Effective July 24, 2003, in accordance with the Department's *Notice of Final Result of Changed Circumstances Review of the Antidumping Duty and Countervailing Duty Orders, and Intent to Revoke Orders in Part*, 68 FR 64079 (November 12, 2003), the scope of this order was amended. Therefore, for purposes of this review, there were separate scopes in effect. These scopes are set forth below.

Scope of Order from April 15, 2002, through July 23, 2003

The merchandise subject to this order is certain hot-rolled products of carbon steel and alloy steel, in coils, of approximately round cross section, 5.00 mm or more, but less than 19.00 mm, in solid cross-sectional diameter.

Specifically excluded are steel products possessing the above-noted physical characteristics and meeting the *Harmonized Tariff Schedule of the United States* (HTSUS) definitions for (a) stainless steel; (b) tool steel; (c) high nickel steel; (d) ball bearing steel; and (e) concrete reinforcing bars and rods. Also excluded are (f) free machining steel products (*i.e.*, products that contain by weight one or more of the following elements: 0.03 percent or more of lead, 0.05 percent or more of bismuth, 0.08 percent or more of sulfur, more than 0.04 percent of phosphorus, more than 0.05 percent of selenium, or more than 0.01 percent of tellurium).

Also excluded from the scope are 1080 grade tire cord quality wire rod and 1080 grade tire bead quality wire rod. This grade 1080 tire cord quality rod is defined as: (i) grade 1080 tire cord quality wire rod measuring 5.0 mm or more but not more than 6.0 mm in cross-sectional diameter; (ii) with an average partial decarburization of no more than 70 microns in depth (maximum individual 200 microns); (iii) having no inclusions greater than 20 microns; (iv) having a carbon segregation per heat average of 3.0 or better using European Method NFA 04-
