

and complexity of the urbanization in the community and identify any existing infrastructure in the community that is related to the purpose of the proposed project.

3. Description of the non-Federal interest for the proposed project. The description must include sufficient information to validate the non-Federal interest's eligibility as an applicant for the pilot program.

4. A letter of intent to partner with USACE in conducting a study, completing a design, constructing the project, and the long-term operation and maintenance of the constructed project. The letter of intent must include information demonstrating the non-Federal interest ability to be a partner in the study and project.

5. Description of the need for the proposed project and what the project would provide to the disadvantaged community.

6. For a project for flood risk management or coastal storm risk management (CSR) purposes, the proposal must include a description of the history of flooding and the population at risk in the economically disadvantaged community. The narrative should include the dates of flood events and describe the property damages and life loss attributable to each event. It should also include a qualitative description or range of how deep the water was and how fast it was flowing. The description should identify any characteristics of the population that have a bearing on risk, such as the total number of people subject to flooding or a coastal storm, low per capita income, or unemployment rate above the national average.

7. A proposal for a project for CSR purposes must include assurance of local willingness and capability to establish conditions of public use and access to beaches and shores. The proposal must identify whether the proposed project may result in a CSR project that benefits beaches or shores the majority of which are private. In such cases, the applicant must provide assurance in the proposal that it is capable and willing to establish sufficient conditions of public use and access as a condition of Federal financial participation in a project.

8. For a project for ecosystem restoration, the proposal must describe the degraded habitat targeted for restoration and the causes of the degradation. Regionally and nationally significant habitat or natural resources should be identified.

9. For a project under section 14, the proposal must describe the ownership and function of the facility to be

protected and the nature of the damage caused by flooding adjacent to the facility.

10. For a project under section 111, the proposal must describe the shoreline damage and identify the Federal navigation project responsible for the damage.

11. For a project for commercial navigation under Section 107, the proposal must describe existing facilities, vessel traffic, and the navigation problem the proposed project will address.

SUPPLEMENTARY INFORMATION: This committee meeting is being held under the provisions of Chapter 10 of title 5, United States Code (U.S.C.) (commonly known as the "Federal Advisory Committee Act" or "FACA"), section 552b of title 5, U.S.C. (commonly known as the "Government in the Sunshine Act"), and sections 102-3.140 and 102-3.150 of title 41, Code of Federal Regulations (CFR).

Purpose of the Meeting: The Board is chartered to provide independent advice and recommendations to the Secretary of the Army on construction and rehabilitation project investments on the commercial navigation features of the inland waterways system of the United States. At this meeting, the Board will receive briefings and presentations regarding the investments, projects, and status of the inland waterways system of the United States and conduct discussions and deliberations on those matters. The Board is interested in written and verbal comments from the public relevant to these purposes.

Agenda: At this meeting the agenda will include the status of the Inland Waterways Trust Fund (IWTF); Fiscal Year (FY) 2024 Budget funding for Navigation; status of Inner Harbor Navigation Canal (IHNC) Lock and Bayou Sorrel Lock activities; updates of inland waterways projects for the Mississippi River-Illinois Waterway Navigation and Ecosystem Sustainability Program (NESP), McClellan-Kerr Arkansas River Navigation System (MKARNS) Three Rivers, Arkansas, and the Gulf Intracoastal Waterway (GIWW) Brazos River Floodgates and Colorado River Locks; status of the ongoing construction activities for the Upper Ohio River Montgomery Lock, Monongahela River Locks and Dams 2, 3, and 4, Chickamauga Lock and Kentucky Lock projects.

Availability of Materials for the Meeting. A copy of the agenda or any updates to the agenda for the July 20, 2023, meeting will be available. The final version will be available at the

meeting. All materials will be posted to the website for the meeting.

Public Accessibility to the Meeting: Pursuant to 5 U.S.C. 552b, as amended, and 41 CFR 102–3.140 through 102–3.165, and subject to the availability of space, this meeting is open to the public. Registration of members of the public who wish to participate in the meeting will begin at 8:30 a.m. on the day of the meeting. Participation is on a first-to-arrive basis. Any interested person may participate in the meeting, file written comments or statements with the committee, or make verbal comments during the public meeting, at the times, and in the manner, permitted by the committee, as set forth below.

Special Accommodations: Individuals requiring any special accommodations related to the public meeting or seeking additional information about the procedures, should contact Mr. Mark Pointon, the committee DFO, or Mr. Steven Riley, an ADFO, at the email addresses or telephone numbers listed in the **FOR FURTHER INFORMATION CONTACT** section, at least five (5) business days prior to the meeting so that appropriate arrangements can be made.

Written Comments or Statements: Pursuant to 41 CFR 102–3.105(j) and 102–3.140 and section 10(a)(3) of the Federal Advisory Committee Act, the public or interested organizations may submit written comments or statements to the Board about its mission and/or the topics to be addressed in this public meeting. Written comments or statements should be submitted to Mr. Pointon, the committee DFO, or Mr. Riley, a committee ADFO, via electronic mail, the preferred mode of submission, at the addresses listed in the **FOR FURTHER INFORMATION CONTACT** section in the following formats: Adobe Acrobat or Microsoft Word. The comment or statement must include the author's name, title, affiliation, address, and daytime telephone number. Written comments or statements being submitted in response to the agenda set forth in this notice must be received by the committee DFO or ADFO at least five (5) business days prior to the meeting so that they may be made available to the Board for its consideration prior to the meeting. Written comments or statements received after this date may not be provided to the Board until its next meeting. Please note that because the Board operates under the provisions of the Federal Advisory Committee Act, as amended, all written comments will be treated as public documents and will be made available for public inspection.

Verbal Comments: Members of the public will be permitted to make verbal comments during the public meeting only at the time and in the manner allowed herein. If a member of the public is interested in making a verbal comment at the open meeting, that individual must submit a request, with a brief statement of the subject matter to be addressed by the comment, at least three business (3) days in advance to the committee DFO or ADFO, via electronic mail, the preferred mode of submission, at the addresses listed in the **FOR FURTHER INFORMATION CONTACT** section. The committee DFO and ADFO will log each request to make a comment, in the order received, and determine whether the subject matter of each comment is relevant to the Board's mission and/or the topics to be addressed in this public meeting. A 15-minute period near the end of the meeting will be available for verbal public comments. Members of the public who have requested to make a verbal comment and whose comments have been deemed relevant under the process described above, will be allotted no more than three (3) minutes during this period, and will be invited to speak in the order in which their requests were received by the DFO and ADFO.
