These regulatory requirements are distinct from the 2023 Regulation's provisions. The revision is part of contingency planning in case the 2023 Regulation is permanently struck down. The Department of Education ("the Department") is attaching an updated Borrower Defense Application and application for Request for Reconsideration. The forms will be available in paper and electronic forms on *studentaid.gov* and will provide borrowers with an easily accessible and clear method to provide the information necessary for the Department to review and process claim applications. Also, under the current regulations, the Department will no longer require a group application nor group reconsideration application.
