

DEPARTMENT OF HEALTH AND HUMAN SERVICES**Health Resources and Services Administration****Agency Information Collection Activities: Submission for OMB Review; Comment Request**

In compliance with the requirement for opportunity for public comment on proposed data collection projects (section 3506(c)(2)(A) of Title 44, United States Code, as amended by the Paperwork Reduction Act of 1995, Pub. L. 104-13), the Health Resources and Services Administration (HRSA) publishes periodic summaries of proposed projects being developed for submission to OMB under the Paperwork Reduction Act of 1995. To request more information on the proposed project or to obtain a copy of the data collection plans and draft instruments, call the HRSA Reports Clearance Officer on (301) 443-1129.

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Proposed Project: Application for the National Health Service Corps (NHSC) Scholarship Program (OMB No. 0915-0146); Revision

The National Health Service Corps (NHSC) Scholarship Program's mission is to ensure the geographic representation of physicians and other health practitioners in the United States. Under this program, health professions

students are offered scholarships in return for service in a federally designated Health Professional Shortage Area (HPSA). The Scholarship Program provides the NHSC with the health professionals it requires to carry out its mission of providing primary health care to HPSA populations in areas of greatest need. Students are supported who are well qualified to participate in the NHSC Scholarship Program and who want to assist the NHSC in its mission, both during and after their period of obligated service.

The application form is being revised to streamline the application process and collect the most relevant information necessary to make determinations of award. Scholars are selected for these competitive awards based on the information provided in the application and supporting documentation. Awards are made to applicants who demonstrate a high potential for providing quality primary health care services.

ESTIMATED RESPONSE BURDEN

Form	Number of respondents	Responses per respondent	Hours per response	Total burden hours
Application	1800	1	2	3600
Total	1800			600

Written comments and recommendations concerning the proposed information collection should be sent within 60 days of this notice to: Susan G. Queen, PhD, HRSA Reports Clearance Officer, Room 10-33, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857.

Dated: July 27, 2007.

Alexandra Hutteringer,

Acting Director, Division of Policy Review and Coordination.

DEPARTMENT OF HEALTH AND HUMAN SERVICES**Health Resources and Services Administration****Advisory Committee on Heritable Disorders and Genetic Diseases in Newborns and Children; Notice of Meeting**

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), notice is hereby given of the following meeting:

Name: Advisory Committee on Heritable Disorders and Genetic Diseases in Newborns and Children (ACHDGDNC).

Dates and Times: Sept 17, 2007, 9 a.m. to 5 p.m. Sept 18, 2007, 8:30 a.m. to 2 p.m.

Place: Ronald Reagan Building and International Trade Center, Rotunda Room, 1300 Pennsylvania Avenue, NW., Washington, DC 20004.

Status: The meeting will be open to the public with attendance limited to space availability.

Purpose: The ACHDGDNC was established to advise and guide the Secretary regarding the most appropriate application of universal newborn screening tests, technologies, policies, guidelines and programs for effectively reducing morbidity and mortality in newborns and children having or at risk for heritable disorders. The ACHDGDNC also provides advice and recommendations concerning the grants and projects authorized under the Heritable Disorders Program.

Agenda: The meeting will include a presentation and continued discussions on the nomination/evaluation process for newborn screening candidate conditions. There will be reports from the Secretary's Advisory Committee on Genetics, Health and Society's Workgroup on Oversight of Genetic Tests and from the Advisory Committee on Heritable Disorders' Workgroup on Research Agenda, as well as the continued work and reports of the ACHDGDNC's subcommittees

on laboratory standards and procedures, follow-up and treatment, and education and training. Proposed agenda items are subject to change.

Time will be provided for public comment. Individuals who wish to provide public comment or who plan to attend the meeting and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the ACHDGDNC Staff, Jill F. Shuger, M.S. (contact information provided below).

Contact Person: Anyone interested in obtaining a roster of members or other relevant information should write or contact Jill F. Shuger, M.S., Maternal and Child Health Bureau, Health Resources and Services Administration, Room 18A-19, Parklawn Building, 5600 Fishers Lane, Rockville, Maryland 20857, Telephone (301) 443-1080, jshuger@hrsa.gov. Information on the Advisory Committee is available at <http://mchb.hrsa.gov/programs/genetics/committee>.

Dated: July 26, 2007.

Alexandra Hutteringer,

Acting Director, Division of Policy Review and Coordination.
