Background

CNCS has submitted a Request for Proposal soliciting technical assistance to implement a longitudinal study of Senior Corps' FGP and SCP in order to identify the long term impact on caregivers of SCP respite service and SCP independent living services. Additionally, CNCS seeks to assess the long term impact of participation in the FGP and SCP on members' satisfaction, health related outcomes and psycho-social outcomes.

This project involves a survey of: caregivers to individuals who are recipients of independent living

services; caregivers to individuals receiving respite care services; and FGP and SCP members. Potential survey respondents will be drawn from a list of registered beneficiaries provided by a sample of SCP grantees. SCP and FGP members will be drawn from a list of registered members provided by a sample of SCP and FGP grantees. Potential interview respondents will include beneficiaries, caregivers and FGP/SCP members. Survey data will be collected using a multi-modal survey methods including phone surveys, paper surveys and on-line surveys.

Quantitative data analysis will include descriptive statistics and inferential analysis of survey responses by respondent characteristics. Analyses will focus on identifying demographic factors of recipients and members, and on self-reported health status and psycho-social factors including self-efficacy, loneliness and depression.

Department of the Navy

2014 Institutional Accreditation of the U.S. Naval War College by the Commission on Institutions of Higher Education, New England Association of Schools and Colleges

AGENCY: Department of the Navy, DoD.

ACTION: Notice of public comment period.

SUMMARY: The U.S. Naval War College will undergo a comprehensive evaluation visit on November 2-5, 2014, by a team representing the Commission on Institutions of Higher Education

(CIHE) of the New England Association of Schools and Colleges.

CIHE is one of seven accrediting commissions in the United States that provide institutional accreditation on a regional basis. Accreditation is voluntary and applies to the institution as a whole. The Commission, which is recognized by the U.S. Department of Education, accredits approximately 240 institutions in the six-state New England region.

The Naval War College has been accredited by the Commission since 1989 and was last reviewed in 2004. Its accreditation by the New England Association encompasses the entire institution.

For the past year and one half, the Naval War College has been engaged in a process of self-study, addressing the Commission's Standards for Accreditation. An evaluation team will visit the institution to gather evidence that the self-study is thorough and accurate. The team will recommend to the Commission a continuing status for the institution. Following a process review, the Commission itself will take the final action.

The public is invited to submit comments regarding the institution to: Public Comment on the Naval War College, Commission on Institutions of Higher Education, New England Association of Schools and Colleges, 3 Burlington Woods Drive, Suite 100,

Burlington, MA 01803-4514, Email: cihe@neasc.org.

Public comments must address substantive matters related to the quality of the institution. The Commission cannot settle disputes between individuals and institutions, whether those involve faculty, students, administrators, or members of other groups. Comments will not be treated as confidential and must include the name, address, and telephone number of the person providing the comments. Public comments must be received by November 5, 2014. The Commission cannot guarantee that comments received after that date will be considered.
