Shasta-Trinity National Forest; California; Lower McCloud Fuels Management Project

AGENCY: Forest Service, USDA.

ACTION: Withdrawal of notice of intent to prepare an Environmental Impact Statement.

SUMMARY: The Shasta-Trinity National Forest is withdrawing the Notice of Intent (NOI) to prepare an Environmental Impact Statement (EIS) for the Lower McCloud Fuels Management Project. All comments previously received regarding this project will be retained and considered in the development of the EA. If it is determined that the project may have significant impacts, the EIS process will be reinitiated and a NOI will be published.
