

to review companies for listing under all the relevant factors. The new standard being adopted, as well as the elimination of the discretionary provision in section 102(b) of the Company Guide, will nevertheless ensure that a minimum price must be met at the outset to be considered for initial listing under section 101 of the Company Guide.¹¹

Finally, the Commission notes that the rule proposal does not discriminate among different issuers because the new minimum price standard for listing under section 101(c) of the Company Guide will apply equally to all potential issuers for listing. Based on the above, the Commission believes that the proposal will help investors and the public interest by ensuring that securities that are listed on the Exchange, pursuant to Initial Listing Standard 3 of section 101(c) of the Company Guide, are traded initially at least with a \$2 minimum market share requirement and must meet a minimum price listing standard at all times.

IV. Conclusion

It Is Therefore Ordered, pursuant to section 19(b)(2) of the Act,¹² that the proposed rule change (SR-Amex-2005-114), as amended, is approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹³

Nancy M. Morris,
Secretary.
