Title of the Collection: Acquisition Regulation Clause Patent Rights and Rights in Data.

Type of Collection: Extension.

OMB No: 0990-0419.

Abstract: The Department of Health and Human Services; Office of the Assistant Secretary for Financial Resources, Office of Acquisitions, Acquisition Policy Division is requesting an approval by OMB for an extension of a previously approved information collection request, Acquisition Regulation Clause Patent Rights and Rights in Data. HHS found

that systematically, over a period of several years, when Determination of Exceptional Circumstances (DEC) were executed, additional legal protection for the patent and data rights of third parties beyond those covered by FAR 27.306 were necessary. A DEC is executed consistent with the policy and objectives of the Bayh-Dole Act, 35 U.S.C. 200, *et seq.*, to ensure that subject inventions made under contracts and subcontracts (at all tiers) are used in a manner to promote free competition and enterprise without unduly encumbering future research and discovery; to encourage maximum participation of small business firms in federally supported research and development efforts; to promote collaboration between commercial concerns and nonprofit organizations including universities; to ensure that the Government obtains sufficient rights in federally supported inventions to meet its needs; to protect the public against nonuse or unreasonable use of inventions; and in the case of fulfilling the mission of the U.S. Department of Health and Human Services, to ultimately to benefit the public health.

Likely Respondents: administrative, technical, legal and management personnel.
