[Docket No. PL00-1-000]

Dialog Concerning Natural Gas Transportation Policies Needed to Facilitate Development of Competitive Natural Gas Markets

August 4, 2000.

AGENCY: Federal Energy Regulatory Commission, DOE.

ACTION: Notice of staff conference.

SUMMARY: In Order No. 637 (65 FR 10156), issued on February 9, 2000, the Federal Energy Regulatory Commission (Commission) revised its regulatory policies, amended its regulations, and established new procedures to enhance

the competitiveness and efficiency of markets for the transportation of natural gas in interstate commerce. As part of the effort to achieve these goals, the Commission determined to institute a dialog between the industry and Commission staff so that Commission staff could achieve a better understanding of industry trends and regulatory changes that better meet the changing character of the industry. This notice establishes the first of several public staff conferences that will permit an industry-wide discussion of issues affecting natural gas transportation policies and the role such natural gas transportation services play in energy markets in general.

DATES: The conference will take place on September 19, 2000, starting at 9:30 a.m., Requests to participate are due by September 1, 2000.

A second and third conference will be held in January 2001, and April 2001. The second conference will focus on affiliate issues. The third conference will focus on the potential need for fundamental changes to the Commission's regulatory model are needed, such as the use of performance based rates or two-track regulatory models with different approaches for captive and non-captive customers.

ADDRESSES: Federal Energy Regulatory Commission 888 First Street, NE Washington, DC 20426.

FOR FURTHER INFORMATION CONTACT: Robert A. Flanders, Office of Markets, Tariffs and Rates, Federal Energy Regulatory Commission, 888 First Street, NE Washington, DC 20426, (202) 208-2084.

SUPPLEMENTARY INFORMATION:

Notice of Staff Conference

Take notice that on September 19, 2000, the Staff of the Federal Energy Regulatory Commission will hold a public conference to discuss the impact of Commission transportation policies on the development of natural gas markets as contemplated in the Commission's Final Rule issued in Order No. 637 on February 9, 2000.¹ The conference will begin at 9:30 a.m. at the Commission's offices, 888 First Street, NE., Washington, DC in the Commission's Meeting Room. All interested persons are invited to attend.
