During any administrative review covering all or part of a period falling between the first and second or third and fourth anniversary of the publication of an antidumping duty order under section 351.211 or a determination under section 351.218(f)(4) to continue an order or suspended investigation (after sunset review), the Secretary will determine, if requested by a domestic interested party within 30 days of the date of publication of the notice of initiation of the review and consistent with *FAG Italia v. Interested parties must submit applications for disclosure under APO in accordance with 19 CFR 351.305.
