### Overview of This Information Collection

*Title:* Application for Extension of Bond for Temporary Importation.

*OMB Number:* 1651-0015.

*Form Number:* CBP Form 3173.

*Current Actions:* CBP proposes to extend the expiration date of this information collection and to revise this information collection to allow electronic submission via the Document Image System (DIS). There is no change to the information collected and no change to CBP Form 3173.

*Type of Review:* Revision.

*Affected Public:* Businesses.

*Abstract:* Imported merchandise which is to remain in the customs territory for a period of one year or less without the payment of duties with the intent to destroy or export is entered as a temporary importation of goods under bond (TIB), as authorized under the Harmonized Tariff Schedule of the United States (19 U.S.C. 1202). Consistent with 19 CFR 10.37, when this time period is not sufficient, importers and brokers may request an extension by submitting a CBP Form 3173, "Application for Extension of Bond for Temporary Importation", either electronically or manually, to the Center Director. The period of time may be extended for not more than two further periods of 1 year each, or such shorter periods as may be appropriate. An Extension may be granted by CBP, upon written or electronic submission of a CBP Form 3173, provided that the articles have not been exported or destroyed before receipt of the application, and liquidated damages have not been assessed under the bond before receipt of the application. CBP Form 3173 is provided for in 19 CFR 10.37 and is accessible at: <https://www.cbp.gov/newsroom/publications/forms?title=3173>.

CBP published its plan to conduct a test of the National Customs Automation Program (NCAP) concerning document imaging in the **Federal Register** (77 FR 20835), on April 6, 2012. Under the test, certain Automated Commercial Environment (ACE) participants are able to submit electronic images of a specific set of CBP and Participating Government Agency (PGA) forms and supporting information to CBP. Specifically, importers, and brokers, are allowed to submit official CBP documents and specified PGA forms via the Electronic Data Interchange (EDI). Although the first phase of the DIS test was limited to certain CBP and PGA forms, the **Federal Register** notice advises that subsequent deployment phases of DIS will incorporate additional forms and that these other forms may be referenced in the DIS implementation guidelines. ACE participants may now submit the CBP Form 3173 via the DIS.

This information collection is necessary to ensure compliance with 19 CFR 10.37 and the DIS guidance.
