FOR FURTHER INFORMATION CONTACT: Dana Mermelstein, AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Ave., NW., Washington, DC 20230; telephone (202) 482-1391.

Suspension Agreements

None.

In accordance with 19 CFR 351.213(b) of the regulations, an interested party as defined by section 771(9) of the Act may request in writing that the Secretary conduct an administrative review. For both antidumping and countervailing duty reviews, the interested party must specify the individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order or suspension agreement for which it is requesting a review, and the requesting party must state why it desires the Secretary to review those particular producers or exporters.³ If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin and each country of origin is subject to a separate order, then

the interested party must state specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

Please note that, for any party the Department was unable to locate in prior segments, the Department will not accept a request for an administrative review of that party absent new information as to the party's location. Moreover, if the interested party who files a request for review is unable to locate the producer or exporter for which it requested the review, the interested party must provide an explanation of the attempts it made to locate the producer or exporter at the same time it files its request for review, in order for the Secretary to determine if the interested party's attempts were reasonable, pursuant to section 351.303(f)(3)(ii) of the regulations.

As explained in *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003), the Department

has clarified its practice with respect to the collection of final antidumping duties on imports of merchandise where intermediate firms are involved. The public should be aware of this clarification in determining whether to request an administrative review of merchandise subject to antidumping findings and orders. *See also* the Import Administration Web site at <http://ia.ita.doc.gov>.

Six copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230. The Department also asks parties to serve a copy of their requests to the Office of Antidumping/Countervailing Operations, Attention: Sheila Forbes, in room 3065 of the main Commerce Building. Further, in accordance with section 351.303(f)(1)(i) of the regulations, a copy of each

¹ Or the next business day, if the deadline falls on a weekend, Federal holiday or any other day when the Department is closed.

² On February 4, 2009 (74 FR 6013), this order was inadvertently listed in the opportunity notice for February anniversary cases. This order has been

revoked and the effective date of the revocation is May 14, 2001 (72 FR 29301, 05/25/2007).

³ If the review request involves a non-market economy and the parties subject to the review request do not qualify for separate rates, all other exporters of subject merchandise from the non-

market economy country who do not have a separate rate will be covered by the review as part of the single entity of which the named firms are a part.

request must be served on every party on the Department's service list.

The Department will publish in the **Federal Register** a notice of "Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of March 2009. If the Department does not receive, by the last day of March 2009, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct CBP to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

This notice is not required by statute but is published as a service to the international trading community.

Dated: February 23, 2009.

[A-201-822]

Stainless Steel Sheet and Strip in Coils from Mexico; Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: Due to the fact that the Department of Commerce (the Department) requires additional information from the respondent, ThyssenKrupp Mexinox S.A. de C.V. and Mexinox USA, Inc. (collectively, Mexinox), in order to complete our analysis, the Department finds that it is not practicable to complete the preliminary results of this review within the original time frame. Accordingly, the Department is extending fully the time limit for completion of the preliminary results of this administrative review until no later than July 31, 2009, which is 365 days from the last day of the anniversary month.

EFFECTIVE DATE: March 2, 2009.

FOR FURTHER INFORMATION CONTACT: Patrick Edwards or Brian Davis, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-8029 or (202) 482-7924, respectively.

Background

On July 30, 2008, the Department received a timely request from Mexinox for revocation from the antidumping duty order on certain stainless steel sheet and strip (S4) in coils from Mexico. On July 31, 2008, the Department received a timely request from Allegheny Ludlum Corporation, AK Steel Corporation, and North American Stainless, to conduct an administrative review of the antidumping duty order on S4 in coils from Mexico. On August 26, 2008, the Department published a notice of initiation of this administrative review, covering the period of July 1, 2007 to June 30, 2008. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 73 FR 50308 (August 26, 2008). The current deadline for the preliminary results of this review is April 2, 2009.

Extension of Time Limits for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to complete the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary results to a maximum of 365 days after the last day of the anniversary month of an order for which a review is requested.

The Department finds that it is not practicable to complete the preliminary results of this review within the original time frame because additional information from the respondent, Mexinox, is necessary to complete our analysis and we will not have sufficient time to obtain and analyze the new information prior to the current deadline for the preliminary results. Accordingly, the Department is extending fully the time limit for completion of the preliminary results of this administrative review until no later than July 31, 2009. We intend to issue the final results no later than 120 days after publication of the preliminary results notice.

This extension is issued and published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: February 23, 2009.

John M. Andersen,

Acting Deputy Assistant Secretary for Import Administration.

RIN 0648-XN12

Fisheries Off West Coast States and in the Western Pacific; Pacific Coast Groundfish Fishery; Application for an Exempted Fishing Permit

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; intent to issue exempted fishing permits, request for comment.

SUMMARY: NMFS announces the intent to issue exempted fishing permits (EFPs) to Pacific whiting shoreside vessels and first receivers that participate in a maximized retention and monitor program for the 2009 Pacific whiting shoreside fishery. EFPs are needed to allow vessels to retain catch in excess of the cumulative limits and to retain prohibited species until offloading. EFPs are also needed to allow first receivers to possess Pacific whiting deliveries with prohibited species and catch that is in excess of cumulative limits, and to used hopper type scales to derive accurate catch weights prior to sorting. Issuance of the EFPs would allow NMFS to collect catch data on incidentally caught species, including salmonids listed under the Endangered Species Act, and would allow new components of an overall monitoring program to be investigated before implementation of a regulatory program.
