

Authority: 49 U.S.C. 106(g), 40113, 44701.

§ 39.13 [Amended]

2. The FAA amends § 39.13 by adding the following new airworthiness directive (AD):

General Electric Company: Docket No. FAA–2011–0278; Directorate Identifier 2010–NE–10–AD.

Comments Due Date

(a) We must receive comments by July 11, 2011.

Affected ADs

(b) None.

Applicability

(c) This AD applies to General Electric Company (GE) GE90–110B1 and GE90–115B turbofan engines with high-pressure compressor (HPC) stages 2–5 spools, part numbers (P/Ns) 351–103–106–0, 351–103–107–0, 351–103–108–0, 351–103–109–0, 351–103–141–0, 351–103–142–0, 351–103–143–0 and 351–103–144–0, installed.

Unsafe Condition

(d) This AD was prompted by an aborted takeoff and two shop findings of cracks in the stages 1–2 rotating seal teeth. We are issuing this AD to detect cracks in the HPC stages 1–2 rotating seal teeth due to heavy rubs, which could result in failure of the stages 1–2 rotating seal of the HPC stages 2–5 spool, uncontained engine failure, and damage to the airplane.

Compliance

(e) Comply with this AD when the HPC forward case half is removed from the engine after the effective date of this AD, unless the actions have already been done.

Inspection

(f) Perform an eddy current inspection or a fluorescent penetrant inspection of the stage 1–2 seal teeth using paragraphs 3.B. or 3.C. of GE Service Bulletin (SB) GE90–100 S/B 72–0320, Revision 02, dated October 1, 2010.

Disposition of Spools with Cracked Seal Teeth

(g) If you find cracks, remove the HPC stages 2–5 spool from service.

Previous Credit

(h) An inspection performed before the effective date of this AD using SB GE90–100 S/B 72–0320 Revision 01, dated May 11, 2010, or earlier revision, satisfies the inspection requirement of this AD.

Installation Prohibition

(i) After the effective date of this AD, do not install any HPC forward case unless it has an HPC stator stage 1 interstage seals, P/N 351–109–503–0.

Alternative Methods of Compliance (AMOCs)

(j) The Manager, Engine Certification Office, has the authority to approve AMOCs for this AD if requested using the procedures found in 14 CFR 39.19.

33 CFR Part 100

[Docket No. USCG–2009–0558]

RIN 1625–AA08

Eleventh Coast Guard District Annual Marine Events

AGENCY: Coast Guard, DHS.

ACTION: Supplemental notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to clarify the verbiage in the list of marine events occurring annually within the Eleventh Coast Guard District. This supplemental notice of proposed rulemaking changes the proposed regulation by changing the dates of two of the proposed special local regulations and adds clarifying language to the proposed regulation within San Diego Captain of the Port zone. When these special local regulations are activated, and thus subject to enforcement, this rule would enable vessel movement restrictions in the regulated area.

DATES: Comments and related material must be received by the Coast Guard on or before June 27, 2011. Requests for public meetings must be received by the Coast Guard on or before June 15, 2011.

ADDRESSES: You may submit comments identified by docket number USCG–2009–0558 using any one of the following methods:

(1) *Federal eRulemaking Portal:* <http://www.regulations.gov>.

(2) *Fax:* 202–493–2251.

(3) *Mail:* Docket Management Facility (M–30), U.S. Department of Transportation, West Building Ground Floor, Room W12–140, 1200 New Jersey Avenue, SE., Washington, DC 20590–0001.

(4) *Hand delivery:* Same as mail address above, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The telephone number is 202–366–9329.

To avoid duplication, please use only one of these four methods. See the “Public Participation and Request for Comments” portion of the **SUPPLEMENTARY INFORMATION** section below for instructions on submitting comments.

FOR FURTHER INFORMATION CONTACT: If you have questions on this proposed rule, call or e-mail Lieutenant Lucas Mancini, Eleventh Coast Guard District Prevention Division, Waterways Management Branch, Coast Guard; telephone 510–437–3801, e-mail Lucas.W.Mancini@uscg.mil. If you have questions on viewing or submitting material to the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202–366–9826.

SUPPLEMENTARY INFORMATION:

Public Participation and Request for Comments

We encourage you to participate in this rulemaking by submitting comments and related materials. All comments received will be posted without change to <http://www.regulations.gov> and will include any personal information you have provided.

Submitting comments

If you submit a comment, please include the docket number for this rulemaking (USCG–2009–0558), indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation. You may submit your comments and material online (via <http://www.regulations.gov>) or by fax, mail, or hand delivery, but please use only one of these means. If you submit a comment online via <http://www.regulations.gov>, it will be considered received by the Coast Guard when you successfully transmit the comment. If you fax, hand deliver, or mail your comment, it will be considered as having been received by the Coast Guard when it is received at the Docket Management Facility. We recommend that you include your name and a mailing address, an e-mail address, or a telephone number in the

body of your document so that we can contact you if we have questions regarding your submission.

To submit your comment online, go to <http://www.regulations.gov>, click on the "submit a comment" box, which will then become highlighted in blue. In the "Document Type" drop down menu select "Proposed Rule" and insert "USCG-2009-0558" in the "Keyword" box. Click "Search" then click on the balloon shape in the "Actions" column. If you submit your comments by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit comments by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period and may change the rule based on your comments.

Viewing Comments and Documents

To view comments, as well as documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, click on the "read comments" box, which will then become highlighted in blue. In the "Keyword" box insert "USCG-2009-0558" and click "Search." Click the "Open Docket Folder" in the "Actions" column. You may also visit the Docket Management Facility in Room W12-140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. We have an agreement with the Department of Transportation to use the Docket Management Facility.

Privacy Act

Anyone can search the electronic form of comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review a Privacy Act notice regarding our public dockets in the January 17, 2008, issue of the **Federal Register** (73 FR 3316).

Public Meeting

We do not now plan to hold a public meeting. But you may submit a request for one on or before June 15, 2011 using one of the four methods specified under **ADDRESSES**. Please explain why you believe a public meeting would be beneficial. If we determine that one would aid this rulemaking, we will hold

one at a time and place announced by a later notice in the **Federal Register**.

For information on facilities or services for individuals with disabilities or to request special assistance at the public meeting, contact Lieutenant Junior Grade Lucas Mancini at the telephone number or e-mail address indicated under the **FOR FURTHER INFORMATION CONTACT** section of this notice.

Background and Purpose

Marine events are annually held on a recurring basis on the navigable waters within the Eleventh Coast Guard District. These events include sailing regattas, powerboat races, rowboat races, parades, and swim events. Many of the annual events requiring special local regulations do not currently reflect changes in actual dates and other required information.

The effect of these proposed special local regulations will be to restrict general navigation in the vicinity of the events, from the start of each event until the conclusion of that event. These areas will be patrolled at the discretion of the Coast Guard. Except for persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in the regulated area. These regulations are needed to keep spectators and vessels a safe distance away from the specified events to ensure the safety of participants, spectators, and transiting vessels.

Discussion of Proposed Rule

The Coast Guard published a Notice of Proposed Rulemaking (NPRM) on February 9, 2011 entitled Eleventh Coast Guard District Annual Marine Events in the **Federal Register** (76 FR 7123). We did not receive any comments on the proposed rule and did not receive any requests for a public meeting. A public meeting was not held. The NPRM published for this regulation proposed to revise 33 CFR 100.1101, 100.1102, and 100.1103 by standardizing the special local regulations language, update listed events, delete events that are no longer occurring, add new unlisted annual events to the regulation, and standardize the format for all tables in the sections, and to add a new 33 CFR 100.1104.

This rule proposes to revise the text of 33 CFR 100.1101(b)(3) and 100.1102(b)(3) to delete reference to the Patrol Commander (PATCOM) being located on the lead official patrol vessel. Often the PATCOM is located shoreside in a location that offers a better vantage point to monitor the event. The location of the PATCOM may also be dictated by radio communication requirements, or a

need to be co-located with local law enforcement representatives.

Additionally, the Coast Guard proposes to delete the limiting descriptor "commercial" in 33 CFR 100.1101(b)(4) and 100.1102(b)(4), as applied to vessels being allowed to transit through the regulated areas when permitted by PATCOM. Often the PATCOM will allow all queued vessels to transit through a zone; for example during a long break in a race. Commercial vessels are normally given preference, but we do sometimes allow recreational vessels to move.

The Coast Guard proposes to change the dates for events listed as occurring in "late December" to "December." 33 CFR 100.1101, Table 1, item 5, the San Diego Parade of Lights, and item 6, the Mission Bay Parade of Lights are listed as occurring in late December. For administrative efficiency and to avoid potential problems, the Coast Guard proposed to delete "late" to allow for required flexibility in activating the special local regulations.

Finally, the proposed title of 33 CFR 100.1102 will be revised to clearly indicate the special local regulations are located in the San Diego Captain of the Port Zone.

Regulatory Analyses

We developed this proposed rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

Regulatory Planning and Review

This proposed rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. We expect the economic impact of this proposed rule to be so minimal that a full Regulatory Evaluation is unnecessary. This rule is not a significant regulatory action because the regulations exist for a limited period of time on a limited portion of the waterways. Further, individuals and vessels desiring to use the affected portion of the waterways may seek permission from the Patrol Commander to use the affected areas.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we have considered whether this proposed rule would have a significant economic impact on a substantial number of small entities.

The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities.

We expect this proposed rule will affect the following entities, some of which may be small entities: The owners and operators of vessels intending to fish, transit, or anchor in the waters affected by these special local regulations. These special local regulations will not have a significant economic impact on a substantial number of small entities for the following reasons: Small vessel traffic will be able to pass safely around the area and vessels engaged in event activities, sightseeing and commercial fishing have ample space outside of the area governed by the special local regulations to engage in these activities. Small entities and the maritime public will be advised of implementation of these special local regulations via public notice to mariners or notice of implementation published in the **Federal Register**.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this proposed rule so that they can better evaluate its effects on them and participate in the rulemaking. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact Lieutenant Lucas Mancini, Eleventh Coast Guard District Prevention Division, Waterways Management Branch, Coast Guard; telephone 510–437–3801, e-mail Lucas.W.Mancini@uscg.mil. The Coast Guard will not retaliate against small entities that question or complain about this proposed rule or any policy or action of the Coast Guard.

Collection of Information

This proposed rule would call for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this proposed rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or Tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This proposed rule would not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this proposed rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

Indian Tribal Governments

This proposed rule does not have Tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or

more Indian Tribes, on the relationship between the Federal Government and Indian Tribes, or on the distribution of power and responsibilities between the Federal Government and Indian Tribes.

Energy Effects

We have analyzed this proposed rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This proposed rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this proposed rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have made a preliminary determination, under paragraph 34(h) of the Instruction, that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. A preliminary environmental analysis checklist supporting this determination is available in the docket where indicated under **ADDRESSES**. We seek any

comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

Words of Issuance and Proposed Regulatory Text

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 100 as follows:

PART 100—MARINE EVENTS

1. The authority citation for part 100 continues to read as follows:

Authority: 33 U.S.C. 1233.

2. Revise 33 CFR 100.1101 to read as follows:

§ 100.1101 Southern California Annual Marine Events for the San Diego Captain of the Port Zone.

(a) *General.* Special local regulations are established for the events listed in Table 1 of this section. Notice of implementation of these special local regulations will be made by publication in the **Federal Register** 30 days prior to

the event for those events without specific dates. In all cases, further information on exact dates, times, and other details concerning the number and type of participants and an exact geographical description of the areas are published by the Eleventh Coast Guard District in the Local Notice to Mariners at least 20 days prior to each event.

Note: Sponsors of events listed in Table 1 of this section must submit an application each year as required by 33 CFR Part 100 to the cognizant Coast Guard Sector Commander no less than 60 days before the start of the proposed event. Sponsors are informed that ample lead time is required to inform all Federal, state, local agencies, and/or other interested parties and to provide the sponsor the best support to ensure the safety of life and property.

(b) *Special local regulations.* All persons and vessels not registered with the sponsor as participants or as official patrol vessels are considered spectators. The “official patrol” consists of any Coast Guard or other vessels assigned or approved by the cognizant Coast Guard Sector Commander to patrol each event.

(1) No spectator shall anchor, block, loiter, nor impede the through transit of participants or official patrol vessels in the regulated areas during all applicable

effective dates and times unless cleared to do so by or through an official patrol vessel.

(2) When hailed and/or signaled by an official patrol vessel, any spectator located within a regulated area during all applicable effective dates and times shall come to an immediate stop.

(3) The Patrol Commander (PATCOM) is empowered to forbid and control the movement of all vessels in the regulated area. The Patrol Commander shall be designated by the cognizant Coast Guard Sector Commander; will be a U.S. Coast Guard commissioned officer, warrant officer, or petty officer to act as the Sector Commander’s official representative. As the Sector Commander’s representative, the PATCOM may terminate the event any time it is deemed necessary for the protection of life and property. PATCOM may be reached on VHF–FM Channel 13 (156.65 MHz) or 16 (156.8 MHz) when required, by the call sign “PATCOM”.

(4) The Patrol Commander may, upon request, allow the transit of vessels through regulated areas when it is safe to do so.

(5) The Coast Guard may be assisted by other Federal, state, or local agencies.

3. Revise § 100.1102 to read as follows:

§ 100.1102 Annual Marine Events on the Colorado River, between Davis Dam (Bullhead City, Arizona) and Headgate Dam (Parker, Arizona) within the San Diego Captain of the Port Zone.

(a) *General.* Special local regulations are established for the events listed in Table 1 of this section. Notice of implementation of these special local regulations will be made by publication in the **Federal Register** 30 days prior to the event for those events without specific dates or by Notice to Mariners 20 days prior to the event for those events listing a period for which a firm date is identifiable. In all cases, further information on exact dates, times, and other details concerning the number and type of participants and an exact geographical description of the areas are published by the Eleventh Coast Guard District in the Local Notice to Mariners at least 20 days prior to each event. To be placed on the mailing list for Local Notice to Mariners contact: Commander (dpw), Eleventh Coast Guard District, Coast Guard Island, Building 50–2, Alameda, CA 94501–5100. Note: Sponsors of events listed in Table 1 of

this section must submit an application each year as required by 33 CFR part 100, subpart A, to the cognizant Coast Guard Sector Commander. Sponsors are informed that ample lead time is required to inform all Federal, state, local agencies, and/or other interested parties and to provide the sponsor the best support to ensure the safety of life and property. A Coast Guard-National Park Service agreement exists for both the Glen Canyon and Lake Mead National Recreational Areas; applicants shall contact the cognizant authority for approval of events in these areas.

(b) *Special local regulations.* All persons and vessels not registered with the sponsor as participants or as official patrol vessels are considered spectators. The “official patrol” consists of any Coast Guard, other Federal, state or local law enforcement, and any public or sponsor-provided vessels assigned or approved by the cognizant Coast Guard Sector Commander to patrol each event.

(1) No spectator shall anchor, block, loiter, nor impede the through transit of participants or official patrol vessels in the regulated areas during all applicable effective dates and times unless cleared

to do so by or through an official patrol vessel.

(2) When hailed and/or signaled by an official patrol vessel, any spectator located within a regulated area during all applicable effective dates and times shall come to an immediate stop.

(3) The Patrol Commander (PATCOM) is empowered to forbid and control the movement of all vessels in the regulated area. The Patrol Commander shall be designated by the cognizant Coast Guard Sector Commander; will be a U.S. Coast Guard commissioned officer, warrant officer, or petty officer to act as the Sector Commander’s official representative. As the Sector Commander’s representative, the PATCOM may terminate the event any time it is deemed necessary for the protection of life and property. PATCOM may be reached on VHF–FM Channel 13 (156.65MHz) or 16 (156.8MHz) when required, by the call sign “PATCOM”.

(4) The Patrol Commander may, upon request, allow the transit of vessels through regulated areas when it is safe to do so.

(5) The Coast Guard may be assisted by other Federal, state, or local agencies.

§ 100.1103 Northern California and Lake Tahoe Area Annual Marine Events.

(a) *General.* Special local regulations are established for the events listed in Table 1 of this section. Notice of implementation of these special local regulations will be made by publication in the **Federal Register** 30 days prior to the event for those events without specific dates or by Notice to Mariners 20 Days prior to the event for those events listing a period for which a firm date is identifiable. In all cases, further information on exact dates, times, and other details concerning the number and type of participants and an exact geographical description of the areas are published by the Eleventh Coast Guard District in the Local Notice to Mariners at least 20 days prior to each event. To be placed on the mailing list for Local Notice to Mariners contact: Commander (dpw), Eleventh Coast Guard District, Coast Guard Island, Building 50–2, Alameda, CA 94501–5100. Note: Sponsors of events listed in Table 1 of

this section must submit an application each year as required by 33 CFR part 100, subpart A, to the cognizant Coast Guard Sector Commander. Sponsors are informed that ample lead time is required to inform all Federal, state, local agencies, and/or other interested parties and to provide the sponsor the best support to ensure the safety of life and property.

(b) *Special local regulations.* All persons and vessels not registered with the sponsor as participants or as official patrol vessels are considered spectators. The “official patrol” consists of any Coast Guard; other Federal, state, or local law enforcement; and any public or sponsor-provided vessels assigned or approved by the cognizant Coast Guard Sector Commander to patrol each event.

(1) No spectator shall anchor, block, loiter, nor impede the through transit of participants or official patrol vessels in the regulated areas during all applicable effective dates and times unless cleared to do so by or through an official patrol vessel.

(2) When hailed and/or signaled by an official patrol vessel, any spectator

located within a regulated area during all applicable effective dates and times shall come to an immediate stop.

(3) The Patrol Commander (PATCOM) is empowered to forbid and control the movement of all vessels in the regulated area. The Patrol Commander shall be designated by the cognizant Coast Guard Sector Commander; will be a U.S. Coast Guard commissioned officer, warrant officer, or petty officer to act as the Sector Commander’s official representative; and will be located aboard the lead official patrol vessel. As the Sector Commander’s representative, the PATCOM may terminate the event any time it is deemed necessary for the protection of life and property. PATCOM may be reached on VHF–FM Channel 13 (156.65 MHz) or 16 (156.8 MHz) when required, by the call sign “PATCOM”.

(4) The Patrol Commander may, upon request, allow the transit of commercial vessels through regulated areas when it is safe to do so.

(5) The Coast Guard may be assisted by other Federal, state, or local agencies.
