On the basis of the record¹ developed in the subject five-year review, the United States International Trade Commission ("Commission") determines, pursuant to the Tariff Act of 1930 ("the Act"), that revocation of the antidumping duty order on foundry coke from China would be likely to lead to continuation or recurrence of material injury to an industry in the United

The Commission made this determination pursuant to section 751(c) of the Act (19 U.S.C. 1675(c)). It completed and filed its determination in this review on October 20, 2023. The views of the Commission are contained in USITC Publication 5468 (October 2023), entitled *Foundry Coke from China: Investigation No. 731-TA-891 (Fourth Review)*.

By order of the Commission.
