I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The BSE seeks to amend the Summary Fine Schedule of the Minor Rule Violation Plan by adding the violation of "Failure to Attend Mandatory BEACON Training Sessions" and amending the prohibition titled "Violation of the Exchange Smoking Policy" to prohibit all forms of tobacco use. In addition, the Exchange proposes to incorporate the BSE's Minor Rule Violation Plan into the Boston Stock Exchange Guide, which is its rulebook.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the BSE included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The BSE has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The BSE proposes to amend the Exchange's Minor Rule Violation Plan to include the failure to attend Market Performance Committee BEACON training sessions and to change the prohibition titled "Violation of the Exchange Smoking Policy" to prohibit all forms of tobacco use. The proposed addition to the Summary Fine Schedule will enable the Exchange to ensure that all floor members are fully trained on the BEACON system following enhancements for the handling of orders or the release of new versions of BEACON software. The Exchange believes that this will ensure that all customer orders are accorded the same professional attention by all specialists. The Exchange proposes a written warning for an initial offense, a \$50 fine for the second offense, and a \$100 fine for subsequent offenses. In addition, the Exchange proposes to prohibit all forms of tobacco use on the Equity Trading Floor. Currently, only smoking is prohibited.

The Exchange also proposes to incorporate the BSE's Minor Rule

Violation Plan into the Boston Stock Exchange Guide, which is its rulebook. The Plan provides an alternative method for the Exchange to use to discipline members who commit minor rule violations.

2. Statutory Basis

The BSE believes the proposed rule change is consistent with Section 6(b)(5)⁵ of the Act in that it is designed to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities; and is not designed to permit unfair discrimination between customers, issuers, brokers or dealers. In addition, the Exchange believes that the proposal is consistent with Section 6(b)(6)⁶ of the Act, which requires that its members and persons associated with its members be appropriately disciplined for violations of the rules of the exchange.⁷

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

- (A) by order approve such proposed rule change, or
- (B) institute proceedings to determine whether the proposed rule change should be disapproved.

proposed rule change from interested persons.

Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Paragraph 902.02 of the Exchange's Listed Company Manual (the "Manual"). Paragraph 902.02 of the Manual contains the schedule of current listing fees for companies listing securities on the Exchange. The text of the proposed rule change is as follows. New text is *italicized*.

902.02 Schedule of Current Listing Fees

* * * * *

A. Original Listing Fee

A special charge of \$36,800 in addition to initial fees (described below) is payable in connection with the original listing of a company's stock. In any event, each issuer (excluding closed-end funds) is subject to a minimum original listing fee of \$150,000 inclusive of the special charge referenced in the proceeding sentence. *Closed-end funds are subject to a minimum original listing fee based upon the number of shares outstanding as follows:*

Up to 10 million shares—\$100,000

Up to 24 million shares—125,000

Over 24 million shares—150,000

Minimum fees include the one time special charge of \$36,800.

The special charge is also applicable to an application which in the opinion of the Exchange is a "back-door listing". See Para. 703.08 (F) for definition.

Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries set forth in Sections A, B, and C below of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The proposed rule change amends the listed company fee schedule, set forth in

Paragraph 902.02 of the Manual, as it applies to original listing fees. The Exchange seeks to adopt a minimum original listing fee for each new closed-end funding depending upon the number of shares offered. As proposed, closed-end funds would be subject to a minimum original listing fee based upon the number of shares outstanding as follows: up to 10 million shares—\$100,000; up to 24 million shares—\$125,000; and over 24 million shares—\$150,000. This minimum would include the Exchange's one-time special charge of \$36,800.

The Exchange recently received approval for a minimum fee that specifically excluded closed-end funds in anticipation of this filing because such funds, unlike corporations, do not issue additional shares of securities.³ Thus, the Exchange felt it would be inappropriate to apply the same criteria to closed-end funds.

2. Statutory Basis

For these reasons, the Exchange believes that the proposed rule change is consistent with Section 6 of the Act,⁴ in general, and with Section 6(b)(4),⁵ in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among its members and issuers and other persons using its facilities.

Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes that the proposed rule change will not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

Self-Regulatory Organization's Statement on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory
