

collected, market centers could either program their systems to generate the statistics and reports, or transfer the data to a service provider (such as an independent company in the business of preparing such reports or a self-regulatory organization) that would generate the statistics and reports.

The collection of information obligations of Rule 605 apply to all market centers that receive covered orders in national market system securities. The Commission estimates that approximately 366 market centers are subject to the collection of information obligations of Rule 605. Each of these respondents is required to respond to the collection of information on a monthly basis.

The Commission staff estimates that, on average, Rule 605 causes respondents to spend 6 hours per month to collect the data necessary to generate the reports, or 72 hours per year. With an estimated 366 market centers subject to Rule 605, the total data collection time burden to comply with the monthly reporting requirement is estimated to be 26,352 hours per year.

Based on discussions with industry sources, the Commission staff estimates that an individual market center could retain a service provider to prepare a monthly report using the data collected for approximately \$2978 per month. This per-respondent estimate is based on the rate that a market center could expect to obtain if it negotiated on an individual basis. Based on the \$2978 estimate, the monthly cost to the 366 market centers to retain service providers to prepare reports would be \$1,089,948, or an annual cost of approximately \$13,079,376 million.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have practical utility; (b) the accuracy of the Commission's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

The Commission may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information

subject to the PRA that does not display a valid OMB control number.

Order of Suspension of Trading; in the Matter of Medex, Inc.

January 17, 2013.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of Medex, Inc.
