Title: Disaster Supplemental Nutrition Assistance Program (D-SNAP).

Form Number: N/A.

OMB Control Number: 0584-0336.

Expiration Date: November 30, 2025.

Type of Request: Extension, with change, of a previously approved collection.

Abstract: Pursuant to section 412 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5179) and section 5(h)(1) of the Food and Nutrition Act of 2008 (7 U.S.C. 2014(h)), the Secretary of Agriculture has the authority to establish a Disaster Supplemental Nutrition Assistance Program (D-SNAP), which is a temporary program that State agencies may operate to provide food assistance to households affected by a disaster. D-SNAP is separate and distinct from the Supplemental Nutrition Assistance Program (SNAP) because it has different standards of eligibility, is operated for a limited duration, and only provides one month of benefits to eligible households.

State agencies submit formal waiver requests to operate D-SNAP to the Food and Nutrition Service (FNS) for approval and may only request to operate D-SNAP in areas that have received a Presidential major disaster declaration with authorization for Individual Assistance, also known as an IA declaration. For a major disaster declaration, the Federal Emergency Management Agency (FEMA) Regional Office deploys staff to conduct joint Preliminary Damage Assessments (PDAs) in conjunction with State, local, Tribal Nation, and/or territory representatives. The Governor or Tribal Executive then submits a declaration request. FEMA submits a recommendation to the President regarding the declaration request and the final determinations are at the sole discretion of the President.

In their D-SNAP waiver requests, State agencies outline the impact of the disaster on households and/or businesses, the proposed procedures for conducting D-SNAP, designate the areas where they wish to operate, and provide estimates of benefit issuance. Using clearly defined criteria, FNS created a waiver template for State agencies to submit their D-SNAP requests electronically through the FNS
