Guam Military Base Realignment Contractor Recruitment Standards

AGENCY: Employment and Training Administration, Labor.

ACTION: Notice.

SUMMARY: The U.S. Department of Labor's (Department) Employment and Training Administration (ETA) is issuing this notice to announce the recruitment standards that construction contractors are required to follow when recruiting United States (U.S.) workers for Guam military base realignment projects funded through the National Defense Authorization Act (NDAA) for Fiscal Year 2010.

DATES: This notice is effective upon publication in the **Federal Register**.

FOR FURTHER INFORMATION CONTACT: Anthony D. Dais, Office of Workforce Investment, Employment and Training Administration, U.S. Department of Labor, 200 Constitution Avenue NW., Room S-4231, Washington, DC 20210. Telephone (202) 693-2784 (this is not a toll-free number). Individuals with hearing or speech impairments may access the telephone number above via TTY by calling the toll-free Federal Information Relay Service at 1-(877) 889-5627 (TTY/TDD). Fax: (202) 693-3015. Email: dais.anthony@dol.gov.

SUPPLEMENTARY INFORMATION: Section 2834(a) of the NDAA for Fiscal Year 2010 (Pub. L. 111-84, enacted October 28, 2009) amended Section 2824(c) of the Military Construction Authorization Act (Pub. L. 110-417, Division B) by

adding a new subsection (6). This provision prohibits contractors engaged in construction projects related to the realignment of U.S. military forces from Okinawa to Guam from hiring non-U.S. workers unless the Governor of Guam (Governor), in consultation with the Secretary of Labor (Secretary), certifies that: (1) There is an insufficient number of U.S. workers that are able, willing, and qualified to perform the work; and (2) that the employment of non-U.S. workers will not have an adverse effect on either the wages or the working conditions of U.S. construction workers in Guam.

In order to allow the Governor to make this certification, the NDAA requires contractors to recruit workers in the U.S., including in Guam, the Commonwealth of the Northern Mariana Islands, American Samoa, the U.S. Virgin Islands, and Puerto Rico, according to the terms of a recruitment plan developed and approved by the Secretary. That recruitment plan has been reproduced in full in Section I below ("Contractor Recruitment Standards").

The Department has developed the Contractor Recruitment Standards in full consultation with, and with the approval of, the Guam Department of Labor (GDOL). Although the Department has developed the recruitment standards, it has assigned oversight of the Contractor Recruitment Standards and the NDAA-required consultation with the Governor to GDOL through a Memorandum of Understanding between the Department and GDOL, effective November 22, 2011 (the MOU can be found on the RegInfo.gov Web site listed at the end of this **Federal Register** Notice).

Under the NDAA, no Guam base realignment construction project work may be performed by a person holding an H-2B visa under the Immigration and Nationality Act until the contractor complies with the Department's Contractor Recruitment Standards, and the Governor of Guam issues the certification noted above. The Department is now publishing an interim version of the recruitment standards to avoid delaying the start of projects that are essential to fulfill U.S. international obligations, meet the needs of the people of Guam and the U.S. Department of Defense, and to

ameliorate extremely high unemployment rates among U.S. workers with construction skills and experience. More background is provided in *U.S. Department of Labor Report to Congress Required by the National Defense Authorization Act for Fiscal Year 2010* (July 29, 2011), submitted to the Senate Committee on Health, Education, Labor, and Pensions, and the Armed Services Committee; and the House of Representatives Education and the Workforce Committee, and the Armed Services Committee (this report can be found at the RegInfo.gov Web site listed at the end of this **Federal Register** Notice).

Upon publication of this notice, the Contractor Recruitment Standards in Section I below will take effect immediately. To comply with the Paperwork Reduction Act of 1995 (PRA) and 5 CFR 1320.13, the Department obtained approval from the President's Office of Management and Budget (OMB) for information collection pursuant to the Contractor Recruitment Standards, effective October 19, 2011 and scheduled to expire April 30, 2012. The Department is requesting a three-year extension of this information collection request (ICR). A copy of the ICR can be obtained by following the instructions at the end of this **Federal Register** Notice.
