

Complex Orders. The Commission also notes that it previously approved the Enhanced Specialist Participation for the individual components of the Complex Order.⁴⁵ To receive an Enhanced Specialist Participation in the COLA, the specialist must satisfy the applicable requirements in current Phlx Rule 1014(g)(ii) to (iv).

The Commission also notes that Phlx Rule 1080(c)(ii)(C), relating to an Order Entry Firm's trading as principal with agency orders, will apply to Complex Orders and COLA Sweeps.⁴⁶

Finally, the Commission finds that the SPP is consistent with the Act. It is designed to protect market participants by preventing the automatic execution of certain Complex Order Strategies outside of a pre-set acceptable price range, which the Phlx will communicate to members by Exchange Circular.⁴⁷ The Phlx XL system will place orders that would execute outside of the acceptable price range on the CBOOK, rather than executing them automatically.⁴⁸

IV. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁴⁹ that the proposed rule change (SR-Phlx-2008-50) is approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁵⁰

Florence E. Harmon,

Acting Secretary.
