Agreement Suspending the Antidumping Duty Investigation on Sugar From Mexico: Final Results of the 2020–2021 Administrative Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) determines that the Agreement Suspending the Antidumping Duty Investigation on Sugar from Mexico, as amended (AD Agreement) met the statutory requirements during the period of review (POR) from December 1, 2020, through November 30, 2021. Commerce also determines that the respondents selected for individual examination, Ingenio Tala S.A. de C.V. and its

affiliates (collectively, GAM Group) and Ingenio Tamazula S.A. de C.V. and its affiliates (Tamazula) (collectively, respondents) were in compliance with the terms of the AD Agreement during the POR. However, we determine that the respondents did not comply with the requirement to eliminate at least 85 percent of the dumping found in the investigation during the POR. Furthermore, we consider the respondents' noncompliant behavior to be serious and in need of remediation, and we will implement certain steps to address their noncompliance.

DATES: Applicable July 10, 2023.

FOR FURTHER INFORMATION CONTACT:

Sally C. Gannon or Jill Buckles, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-0162 or (202) 482-6230, respectively.

SUPPLEMENTARY INFORMATION:

Background

On January 4, 2023, Commerce published the preliminary results of this administrative review.¹ Subsequent to the *Preliminary Results*, Tamazula submitted its response to Commerce's third supplemental questionnaire on January 11, 2023.² On January 18, 2023, the GAM Group submitted its third supplemental questionnaire response.³ On March 29, 2023, Commerce issued post-preliminary results.⁴ Commerce conducted verification from May 8 through 11, 2023.⁵

On June 13, 2023, respondents and Cámara Nacional de Las Industrias Azucarera y Alcohólica (Cámara) filed a case brief,⁶ and the American Sugar Coalition and its members (petitioners)⁷

filed a case brief.⁸ On June 20, 2023, petitioners filed a rebuttal brief,⁹ and respondents filed a letter in lieu of rebuttal brief.¹⁰

Scope of the AD Agreement

The product covered by this AD Agreement is raw and refined sugar of all polarimeter readings derived from sugar cane or sugar beets. Merchandise covered by this AD Agreement is typically imported under the following headings of the HTSUS: 1701.12.1000, 1701.12.5000, 1701.13.1000, 1701.13.5000, 1701.14.1020, 1701.14.1040, 1701.14.5000, 1701.91.1000, 1701.91.3000, 1701.99.1015, 1701.99.1017, 1701.99.1025, 1701.99.1050, 1701.99.5015, 1701.99.5017, 1701.99.5025, 1701.99.5050, and 1702.90.4000.¹¹ The tariff classification is provided for convenience and customs purposes; however, the written description of the scope of this AD Agreement is dispositive.

A full description of the scope of the AD Agreement is contained in the Issues and Decision Memorandum.¹²

Analysis

Commerce continues to find, based on record evidence, that respondents, the GAM Group and Tamazula, were generally in compliance with the terms of the AD Agreement during the POR. However, we continue to find that respondents did not comply with the requirement to eliminate at least 85 percent of the dumping during the POR. We also determine that the AD Agreement met the statutory requirements under sections 734(c) and (d) of the Tariff Act of 1930, as amended (the Act), during the POR.

We intend to address what we have found to be serious noncompliance by respondents with an "action plan" first

outlined in the Post-Preliminary Results, with the exception of verification of the respondents' questionnaire responses which has been completed. Commerce's next steps will include: formal consultations with the Signatories to the AD Agreement under Section VII.E.2 (Operations Consultations); additional monitoring of the respondents; and consideration of the selection of the respondents in a future administrative review. These measures are necessary to ensure compliance with the AD Agreement and that any potential administrative challenges to effective monitoring are diminished.

The issues raised in the case and rebuttal briefs are addressed in the accompanying Issues and Decision Memorandum and business proprietary memoranda.¹³ The issues are identified in the appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Administrative Protective Order

This notice also serves as a reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) determines that countervailable subsidies are being provided to producers and exporters of certain passenger vehicle and light truck tires (PVL T tires) from the People's Republic of China (China) during the period of review (POR) of January 1, 2021, through December 31, 2021.

DATES: Applicable July 10, 2023.

FOR FURTHER INFORMATION CONTACT: Richard Roberts, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3464.

SUPPLEMENTARY INFORMATION:

Background

On May 1, 2023, Commerce published the *Preliminary Results* of this administrative review in the **Federal Register** and invited interested parties to comment.¹ We received no comments from interested parties on the *Preliminary Results*, and we have otherwise made no changes from the *Preliminary Results*. Accordingly, no decision memorandum accompanies this **Federal Register** notice; the *Preliminary Results* and accompanying PDM are hereby adopted in these final results. Commerce conducted this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act).

Scope of the Order²

The product covered by the *Order* is PVL T tires from China. For a complete description of the scope of the *Order*, see the appendix to this notice.

Rescission of Administrative Review, in Part

It is Commerce's practice to rescind an administrative review of a countervailing duty order, pursuant to 19 CFR 351.213(d)(3), when there are no reviewable entries of subject merchandise during the POR for which liquidation is suspended.³ Normally, upon completion of an administrative review, the suspended entries are liquidated at the countervailing duty assessment rate calculated for the review period.⁴ Therefore, for an administrative review of a company to be conducted, there must be a reviewable, suspended entry that Commerce can instruct U.S. Customs and Border Protection (CBP) to liquidate at the countervailing duty assessment rate calculated for the review period.⁵

¹ See *Certain Passenger Vehicle and Light Truck Tires from the People's Republic of China: Preliminary Results of Countervailing Duty Administrative Review, Rescission of Administrative Review in Part; and Intent To Rescind in Part*, 2021, 88 FR 29095 (May 5, 2023) (*Preliminary Results*), and accompanying Preliminary Decision Memorandum (PDM).

² See *Certain Passenger Vehicle and Light Truck Tires from the People's Republic of China: Amended Final Affirmative Antidumping Duty Determination and Antidumping Duty Order; and Amended Final Affirmative Countervailing Duty Determination and Countervailing Duty Order*, 80 FR 47902 (August 10, 2015) (*Order*).

³ See, e.g., *Lightweight Thermal Paper from the People's Republic of China: Notice of Rescission of Countervailing Duty Administrative Review*; 2015, 82 FR 14349 (March 20, 2017); and *Circular Welded Carbon Quality Steel Pipe from the People's Republic of China: Rescission of Countervailing Duty Administrative Review*; 2017, 84 FR 14650 (April 11, 2019).

⁴ See 19 CFR 351.212(b)(2).

⁵ See 19 CFR 351.213(d)(3).

According to the CBP import data, except for the two mandatory respondents, the remaining four companies subject to this review did not have reviewable entries of subject merchandise.⁶ There is no evidence on the record of this segment of the proceeding to indicate that these companies had entries, exports, or sales of subject merchandise to the United States during the POR. Further, in response to the *Preliminary Results*, no party submitted information to contradict the information on the record. Therefore, in accordance with 19 CFR 351.213(d)(3), we are rescinding the administrative review with respect to these four companies.

Final Results of Review

For the period January 1, 2021, through December 31, 2021, we determine that the following net countervailable subsidy rates exist:

Company	Subsidy rate (percent <i>ad valorem</i>)
Shandong Province Sanli Tire Manufactured Co., Ltd	125.50
Zhongce Rubber Group Co., Ltd	125.50

Disclosure

Normally, Commerce discloses to interested parties the calculations of the final results of an administrative review within five days of a public announcement or, if there is no public announcement, within five days of the date of publication of the notice of final results in the **Federal Register**, in accordance with 19 CFR 351.224(b). However, because we have made no changes from the *Preliminary Results*, there are no calculations to disclose.

Cash Deposit Instructions

Pursuant to section 751(a)(2)(C) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for the companies listed above for shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. These cash deposit instructions, when imposed, shall remain in effect until further notice.

⁶ Companies with no reviewable entries are Qingdao Fullrun Tyre Corp., Ltd., Shandong Changfeng Tyres Co., Ltd., Shandong Duratti Rubber Corporation Co., Ltd. and Shandong Transtone Tyre Co., Ltd.
