

158, 42 U.S.C. 289d, and incorporated by reference at 42 CFR 52.8 and 42 CFR 52a.8, has required that institutions receiving PHS support for animal activities base their animal care and use programs on the current edition of the *Guide*. Since 1996, programs have been based on the 7th Edition of the *Guide*. The 8th Edition of the *Guide* was published in January 2011, following a study by the Institute for Laboratory Animal Research of the National Academy of Sciences. The 8th Edition of the *Guide* contains substantive changes and additions from the previous edition. To gain insight from institutions on the impact of changes to the *Guide* on their animal care and use programs, NIH sought comments on whether it should adopt the 8th Edition of the *Guide* and on the proposed implementation plan. On February 24, 2011, NIH issued a **Federal Register** Notice (see <http://edocket.access.gpo.gov/2011/pdf/2011-4172.pdf>) requesting public comments on (1) NIH's adoption of the 8th Edition of the *Guide* as a basis for evaluating institutional programs receiving or proposing to receive PHS support for activities involving animals and (2) NIH's proposed implementation plan (if NIH decided to adopt the 8th Edition of the *Guide*). The original implementation plan proposed that institutions complete at least one semiannual program and facility evaluation using the 8th Edition of the *Guide* as the basis for evaluation by March 31, 2011.

Comments were collected via the Internet through a Web link available in the **Federal Register** and on the OLAW Web site, where respondents could also access both the 7th and 8th Editions of the *Guide*. The original comment period was scheduled from February 24, 2011, to March 24, 2011. This comment period was extended twice, on March 18 and April 21. Ultimately, the comment period spanned 90 days, closing on May 24, 2011. In addition to the time extension, the NIH removed the original 6,000-character limit on the comment form fields in the April 21 extension to maximize the opportunity for individuals and organizations to provide comments to NIH. A total of 806 responses were submitted by Assured institutions, professional organizations, animal advocacy organizations, and individuals. The comments and an analysis may be viewed at http://grants.nih.gov/grants/olaw/2011guidecomments/web_listing.htm.

II. Electronic Access

The 8th Edition of the *Guide* is available on the OLAW Web site at <http://olaw.nih.gov>.

Federal Housing Administration (FHA) First Look Sales Method Under the Neighborhood Stabilization Programs (NSP) Technical Assistance: Availability of Universal Name and Address Identification Number (NAID)

AGENCY: Office of the Assistant Secretary for Housing—Federal Housing Commissioner, HUD.

ACTION: Notice.

SUMMARY: On July 15, 2010, HUD published a **Federal Register** notice establishing the process by which eligible purchasers under the Neighborhood Stabilization Program (NSP) are provided a preference to acquire real estate-owned (REO) properties of FHA under the temporary First Look Sales Method. The July 15, 2010, notice requires that eligible NSP purchasers obtain a HUD-issued Name and Address Identification Number (NAID) to participate in the First Look Sales Method. This notice announces the availability of a universal NAID to aid eligible purchasers under the First Look Sales method.

DATES: The dates announced in the July 15, 2010, notice are unchanged. The FHA First Look Sales Method shall be in effect through May 31, 2013.

SUPPLEMENTARY INFORMATION: On July 15, 2010, at 75 FR 41255, HUD published a **Federal Register** notice establishing the process by which governmental entities, nonprofit organizations, and subrecipients participating in the NSP (eligible NSP purchasers) are provided a preference to acquire REO properties under FHA's temporary NSP First Look Sales Method. This temporary REO sales method furthers the goals of both NSP,

to aid in the redevelopment of abandoned and foreclosed homes, and of HUD's REO sales program, to expand homeownership opportunities and strengthen communities. Through the FHA First Look Sales Method, HUD provides eligible NSP purchasers with a preference (a "first look") to acquire FHA REO properties that are available for purchase within NSP areas. Eligible NSP purchasers may acquire such REO properties with the assistance of NSP funds for any eligible uses under the NSP, including rental or homeownership.

The July 15, 2010, notice provides that governmental entities, nonprofit organizations, and subrecipients that have received a HUD-issued NAID are eligible to participate in the First Look Sales Method (see 75 FR 41226, first column). Through this notice, HUD announces that it has issued a universal NAID to the National Community Stabilization Trust (NCST). The NCST has entered into a partnership agreement with HUD to facilitate implementation of the First Look Sales Method. The NCST will use the universal NAID to aid eligible NSP purchasers in the purchase of properties under First Look Sales Method. Eligible NSP purchasers will not be charged a fee for use of the universal NAID. Additional information regarding the NCST and its role in implementing the First Look Sales Method can be found on the NCST Web site at: <http://www.stabilizationtrust.com/>
