

**POLICIES AND PRACTICES FOR RETRIEVAL OF RECORDS:**

Records are retrieved by carrier name, driver name, CDL number, or through the randomly generated participant ID assigned by the DOT contractor.

**POLICIES AND PRACTICES FOR RETENTION AND DISPOSAL OF RECORDS:**

Unscheduled records must be retained indefinitely pending the agency's submission, and NARA's approval, of a disposition schedule. DOT anticipates proposing to NARA, as an appropriate retention period for these records, two years or until no longer necessary for reference.

**ADMINISTRATIVE, TECHNICAL, AND PHYSICAL SAFEGUARDS:**

DOT safeguards records in this system according to applicable rules and policies, including all applicable DOT IT systems security and access policies. DOT has imposed strict controls to minimize the risk of information being compromised. Access to the records in this system is limited to those individuals who have a need to know the information in furtherance of the performance of their official duties, and who have appropriate clearances or permissions.

**RECORD ACCESS PROCEDURES:**

Individuals seeking access to and notification of any record contained in this system of records, or seeking to contest its content, may submit a request in writing to the System Manager at the address provided under "System Manager and Address" above. Individuals may also search the public docket at [www.regulations.gov](http://www.regulations.gov) by their name.

When seeking records about yourself from this system of records or any other Departmental system of records, the request must conform with the Privacy Act regulations set forth in 49 CFR part 10. The individual's request must verify his/her identity by providing his/her full name, current address, and date and place of birth. The individual must sign the request, and the individual's signature must either be notarized or submitted under 28 U.S.C. 1746, a law that permits statements to be made under penalty of perjury as a substitute for notarization. No specific form is required.

In addition, the individual should:

- Explain why the individual believes the Department would have information on him/her;
- Identify which component(s) of the Department the individual believes may have the information about him/her;

- Specify when the individual believes the records would have been created; and

- Provide any other information that will help the FOIA staff determine which DHS component agency may have responsive records.

If an individual's request is seeking records pertaining to another living individual, the first individual must include a statement from the second individual certifying his/her agreement for the first individual to access his/her records. Without the above information, the component(s) may not be able to conduct an effective search, and the individual's request may be denied due to lack of specificity or lack of compliance with applicable regulations.
