

been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.

- There is a connection between the human remains and associated funerary objects described in this notice and the Three Affiliated Tribes of the Fort Berthold Reservation, North Dakota.

#### Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.

2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains and associated funerary objects in this notice to a requestor may occur on or after April 16, 2025. If competing requests for repatriation are received, the Illinois State Museum must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. The Illinois State Museum is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

**Notice of Intended Disposition: U.S. Department of Agriculture, Forest Service, Apache-Sitgreaves National Forests, Springerville, AZ**

**AGENCY:** National Park Service, Interior.

**ACTION:** Notice.

**SUMMARY:** In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the U.S. Department of Agriculture, Forest Service, Apache-Sitgreaves National Forests intends to carry out the disposition of human remains, associated funerary objects, unassociated funerary objects, sacred objects, or objects of cultural patrimony removed from Federal or Tribal lands to the lineal descendants, Indian Tribe, or Native Hawaiian organization with priority for disposition in this notice.

**DATES:** Disposition of the human remains or cultural items in this notice may occur on or after April 16, 2025. If no claim for disposition is received by March 17, 2026, the human remains or cultural items in this notice will become unclaimed human remains or cultural items.

**ADDRESSES:** Robert Lever, Apache-Sitgreaves National Forests, 30 South Chiricahua Drive, Springerville, AZ 85938, telephone (928) 333-6280, email [robertlever@usda.gov](mailto:robertlever@usda.gov).

**SUPPLEMENTARY INFORMATION:** This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the Apache-Sitgreaves National Forests, and additional information on the human remains or cultural items in this notice, including the results of consultation, can be found in the related records. The National Park Service is not responsible for the identifications in this notice.

#### Abstract of Information Available

Based on the information available, human remains representing, at least, two individuals have been reasonably identified. Artifacts in the vicinity indicate the site to have a Mogollon affiliation. The ancestral remains were surface collected by Arizona Game and Fish along Lakeside Road, Navajo County, Lakeside, AZ in 2016.

#### Determinations

The Apache-Sitgreaves National Forests has determined that:

- The human remains described in this notice represent the physical remains of two individuals of Native American ancestry.

- The Hopi Tribe of Arizona; Pueblo of Acoma, New Mexico; and the Zuni Tribe of the Zuni Reservation, New Mexico have priority for disposition of the human remains or cultural item described in this notice based on cultural affiliation.

#### Claims for Disposition

Written claims for disposition of the human remains or cultural items in this notice must be sent to the appropriate official identified in this notice under **ADDRESSES**. If no claim for disposition is received by March 17, 2026, the human remains or cultural items in this notice will become unclaimed human remains or cultural items. Claims for disposition may be submitted by:

1. Any lineal descendant, Indian Tribe, or Native Hawaiian organization identified in this notice.

2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that they have priority for disposition.

Disposition of the human remains or cultural items in this notice may occur on or after April 16, 2025. If competing claims for disposition are received, the Apache-Sitgreaves National Forests must determine the most appropriate claimant prior to disposition. Requests for joint disposition of the human remains or cultural items are considered a single request and not competing requests. The Apache-Sitgreaves National Forests is responsible for sending a copy of this notice to the lineal descendants, Indian Tribes, and Native Hawaiian organizations identified in this notice and to any other consulting parties.

**Notice of Inventory Completion: Peabody Museum of Archaeology and Ethnology, Harvard University, Cambridge, MA**

**AGENCY:** National Park Service, Interior.

**ACTION:** Notice.

**SUMMARY:** In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Peabody Museum of Archaeology and Ethnology, Harvard University (PMAE) has completed an inventory of human remains and has determined that there

is a cultural affiliation between the human remains and Indian Tribes or Native Hawaiian organizations in this notice. The human remains were collected at the Sherman Institute, Riverside County, CA and the Carson Indian School, Carson City, NV.

**DATES:** Repatriation of the human remains in this notice may occur on or after April 16, 2025.

**ADDRESSES:** Jane Pickering, Peabody Museum of Archaeology and Ethnology, Harvard University, 11 Divinity Avenue, Cambridge, MA 02138, telephone (617) 496-2374, email [jpickering@fas.harvard.edu](mailto:jpickering@fas.harvard.edu).

**SUPPLEMENTARY INFORMATION:** This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the PMAE, and additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records. The National Park Service is not responsible for the determinations in this notice.

#### Abstract of Information Available

Based on the information available, human remains representing, at minimum, three individuals were collected at the Sherman Institute, Riverside County, CA. The human remains are hair clippings collected from one individual who was recorded as being 19 years old and identified as "Eel River," one individual who was recorded as being 18 years old and identified as "Pomo," and one individual who was recorded as being 17 years old and identified as "Concow." Samuel H. Gilliam took the hair clippings at the Sherman Institute between 1930 and 1933. Gilliam sent the hair clippings to George Woodbury, who donated the hair clippings to the PMAE in 1935. No associated funerary objects are present.

Based on the information available, human remains representing, at minimum, one individual was collected at the Carson Indian School, Ormsby County, NV. The human remains are hair clippings collected from one individual who was recorded as being 15 years old and identified as "Pomo." Frederic Snyder took the hair clippings at the Carson Indian School between 1930 and 1933. Snyder sent the hair clippings to George Woodbury, who donated the hair clippings to the PMAE in 1935. No associated funerary objects are present.

#### Cultural Affiliation

Based on the available information and the results of consultation, cultural affiliation is clearly identified by the information available about the human remains described in this notice.

#### Determinations

The PMAE has determined that:

- The human remains described in this notice represent the physical remains of four individuals of Native American ancestry.
- There is a reasonable connection between the human remains described in this notice and the Sherwood Valley Rancheria of Pomo Indians of California.

#### Requests for Repatriation

Written requests for repatriation of the human remains in this notice must be sent to the Responsible Official identified in **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains in this notice to a requestor may occur on or after April 16, 2025. If competing requests for repatriation are received, the PMAE must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains are considered a single request and not competing requests. The PMAE is responsible for sending a copy of this notice to the Indian Tribe identified in this notice.

#### Abstract of Information Available

Human remains representing, at minimum, 10 individuals have been identified. The 85 associated funerary objects are 13 antler tine fragments, one antler tine projectile point, one bison or elk scapula blade fragment, three bone awls, four bone beamers, one lot burned antler, 17 lots fauna, one marine shell pendant fragment, two modified bone tools, 11 lots mussel shell, three mussel shell hoes, one mussel shell scraper, four mussel shell spoons, two mussel shell spoon fragments, one painted bear canine, one perforated bone, three perforated mussel shells, 13 lots pottery fragments, and three pottery vessels.

The human remains and associated funerary objects were removed from the Fisher Site (11WI5), Will County, IL, by George Langford and by the University of Chicago between 1912 and 1941. Portions of the collections were received by the Illinois State Museum in 1951, 1978, and an unknown date prior to 1989. The site dates to approximately A.D. 800-1400 and the late 17th century. No hazardous substances are known to have been used to treat any of the human remains or associated funerary objects.
